Waves of News Carolyn Gerdink Cavolt, 2009-02 San Luis Obispo County Sheriff's Department Gary L. Hoving, 2011

Since 1850 the San Luis Obispo County Sheriff's Department has proudly served the community as the chief law enforcement agency. The office of sheriff was originally created by the California Constitution to meet the public safety needs of each county. From horseback to gigabit, the sheriff and his deputies have responded to the needs of the citizens by providing the highest quality of protection. No-Body Homicide Cases Thomas A. (Tad) DiBiase, 2023-11-13. A practical guide for police death investigators and prosecutors. No Body Homicide Cases: A Practical Guide to Investigating, Prosecuting and Winning Cases When the Victim is Missing. Second Edition takes an expansive look at both the history of no body murder cases and the best methods to investigate, solve and bring them to court. How do you prove someone guilty of murder when the best and primary piece of evidence, the victim's body, is missing? Exclusively dedicated to the investigation and prosecution of no body homicide cases, this fully updated Second Edition provides the author's insight gained from investigating, consulting on and trying scores of no body cases throughout the United States. Taking readers step by step from the first days of a homicide investigation through the trial, the book explores the history of confessions and discloses the investigative techniques police must use to catch these cunning killers. Chapters review methods criminals have used to dispose of bodies, delving into the psychological profile of the type of defendant who murders someone then hides the body. Since the last edition published, the number of no body murder cases investigated has skyrocketed, with more than 50 percent of all no body murder cases tried and prosecuted having occurred since the year 2000. New to this edition is a chapter on a full singular high profile case from start to finish to illustrate the entire no body investigative and adjudication process. A sample arrest warrant for a no body murder case is provided in addition to Chapter 12, updating the prior edition's nearly 400 case summaries provided to the current figure as of this publication of 576 no body murder trials in U.S. history. *No Body Homicide Cases* Second Edition continues to serve as an essential resource and the how to manual for investigating, prosecuting and winning no body murder cases.
