# Sandf 2015 Recruitment

**Rachel Woodward, Claire Duncanson**

## **Sandf 2015 Recruitment:**

*South Africa's Post-Apartheid Military* Lindy Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994. In South Africa's changed political state, how has civilian control of the military been implemented and what does this mean for defence in a democracy? This book presents an overview of the security environment, how the mission focus of the military has changed and the implications for force procurement, force preparation, force employment and force sustainability. The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force, the effect of affirmative action on meritocracy, recruitment and retention, military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment, gender equality and mainstreaming, the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged, HIV/AIDS and the consequences this holds for the military in terms of its operational effectiveness. In closing, the author highlights key events that have caused the SANDF to become lost in transition and transformation, spelling out some lessons learned. The conclusions she draws are pertinent for the future of defence security and civil-military relations of countries around the world.

*SADC Gender Protocol 2015 Barometer* Morna, Colleen Lowe, Dube, Sifiso, 2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground-breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. The SADC Gender Protocol is the only sub-regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time-bound targets. Aligned to Millennium Development Goal Three, the original 28 targets of the Protocol expire in 2015. Now that 2015 is here, we need to step back, assess and reposition. In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals (SDGs). In May this year, ministers added that they want the Protocol to be accompanied by a Monitoring, Evaluation and Results Framework. The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality. Now is the time to strengthen, resolve, reconsider, reposition and re-strategise for 2030.

**SADC GENDER PROTOCOL BAROMETER 2015** 2015 is here. In August 2008 Heads of State of the Southern African Development Community adopted the ground-breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. The SADC Gender Protocol is the only sub-regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time-bound targets. Aligned to Millennium Development Goal Three, the original 28 targets of the Protocol expire in 2015. Now that 2015 is here, we need to step back, assess and reposition. In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals (SDGs). In May

this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 Researching the Military Helena Carreiras,Celso Castro,Sabina Frederic,2016-03-02 Researching the Military focuses on the experiences of researchers who study the military around the world It explores the historical social institutional and personal factors that frame research and scrutinize the way knowledge in this area impacts society and policy More than merely analyzing research experiences yet necessarily including them it is also about the experiences of researchers their position with regard to the object of their studies the institutional context where they work and the way their research impacts the academic and policy making fields in the respective countries The common theme to the various chapters is reflexivity a conscious effort at addressing the conditions of research and the position of the researcher and the research participants in that interface By collecting diverse experiences of researchers from across the world this volume aims to enhance reflexivity in the field of military studies and to encourage the exchange of knowledge between the academic field and the military arena This book will be of much interest to students of military studies research methods sociology social anthropology and security studies in general

*Routledge Handbook of Conflict Response and Leadership in Africa* Alpaslan Özerdem,Sinem Akgül-Açıkmeşe,Ian Liebenberg,2021-09-14 This handbook explores the challenges and opportunities for leadership and conflict response in the context of Africa at several levels Leadership plays a vital role in affecting conflict response but is frequently only examined at the macro level of state government and international organizations This handbook addresses the need to explore challenges and opportunities for leadership at several levels macro global regional national meso NGOs religious groups academics and micro civil society organizations youth groups women s organizations Analysis from multiple levels provides a broader explanation of conflict dynamics and helps to fit localized conflict transformation approaches into wider national or regional structures The multidisciplinary essays presented in this volume encompass the psychological political and structural dimensions of conflict response and demonstrate how its success is fundamentally linked to the style of effectiveness of leadership among other factors The volume is divided into four thematic sections Part I The theory and dynamics of conflict response and leadership Part II Macro level leadership experiences in conflict response Part III Meso micro level leadership experiences in conflict response Part IV Recommendations for improved leadership in conflict response This book will be of much interest to students of conflict resolution peace studies African politics security studies and international relations in general Women and Gender Perspectives in the Military Robert Egnell,Mayesha Alam,2019-02-01 Women and Gender Perspectives in the Military compares the integration of women gender perspectives and the women peace and security agenda into the armed forces of eight countries plus NATO and United Nations peacekeeping operations This book brings a much needed crossnational analysis of how militaries have or have not improved

gender balance what has worked and what has not and who have been the agents for change The country cases examined are Sweden the Netherlands Canada the United States the United Kingdom Israel Australia and South Africa Despite increased opportunities for women in the militaries of many countries and wider recognition of the value of including gender perspectives to enhance operational effectiveness progress has encountered roadblocks even nearly twenty years after United Nations Security Council Resolution 1325 kicked off the women peace and security agenda Robert Egnell Mayesha Alam and the contributors to this volume conclude that there is no single model for change that can be applied to every country but the comparative findings reveal many policy relevant lessons while advancing scholarship about women and gendered perspectives in the military

**International Clinical Sociology** Jan Marie Fritz, 2020-12-22 Clinical sociology is a multidisciplinary field that seeks to improve life situations for individuals and groups This book showcases the art and science of clinical sociology from around the world It is the first book to present basic clinical sociology diagrams and models in addition to detailed histories of clinical sociology in the United States Quebec France and Japan A range of interventions are discussed in light of a region's economic social political and disciplinary history The book presents illustrative case studies from leaders in the field and it serves the need of graduate level courses from around the world

Contemporary Issues in South African Military Psychology Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

**Silencing the Guns in Africa** Antonio Garcia, Jacob Udo-Udo Jacob, 2025-03-14 The scholarship of this book is drawn from local and international experts by framing critically a number of discourses on matters of security conflict

violence and peace on the African continent It is indeed a breath of fresh air to the scientific community largely because it contributes to the on going debates on security issues Dr Ntsikelelo Benjamin Breakfast Director of the Center for Security Peace and Conflict Resolution at Nelson Mandela University This book makes a deep contribution to scholarly literature on conflict studies peacekeeping and peacebuilding in Africa Written largely from the perspective of the applied social sciences it is empirically rich and offers refreshing insights into social behaviour in military contexts This is a timely contribution because current public discourse in South Africa is centred on the gains and missed opportunities of thirty years of democracy and new lenses are welcome Many of the chapters reflect South African experiences This is to be welcomed as it demonstrates that scholars and practitioners from the country are reflecting on the complexities of South African experiences of defence and security matters in contemporary times Dr Sandy Africa Director of Research at Mapungubwe Institute for Strategic Reflection MISTRA This volume brings together the voices of scholars and practitioners a diverse group of writers who are passionate about and committed to creating a safer more prosperous and peaceful Africa Each with their own specialism this work combines many different world views and approaches Conflict in Africa is an impossibly broad topic to cover in a single edited publication and so we focus on a select number of case studies expositions and themes

The Palgrave International Handbook of Gender and the Military Rachel Woodward, Claire Duncanson, 2017-06-27 The Palgrave International Handbook of Gender and the Military provides a comprehensive overview of the multiple ways in which gender and militaries connect International and multi disciplinary in scope this edited volume provides authoritative accounts of the many intersections through which militaries issues and military forces are shaped by gender The chapters provide detailed accounts of key issues informed by examples from original research in a wealth of different national contexts This Handbook includes coverage of conceptual approaches to the study of gender and militaries gender and the organisation of state military forces gender as it pertains to military forces in action transitions and transgressions within militaries gender and non state military forces and gender in representations of military personnel and practices With contributions from a range of both established and early career scholars The Palgrave International Handbook of Gender and the Military is an essential guide to current debates on gender and contemporary military issues Women and the Military Ruth Margolies Beitler, Sarah M. Gerstein, 2021-04-07 This addition to the Women and Society around the World series explores the roles challenges and accomplishments of women in the military in countries across the globe Around the world millions of men serve in their countries militaries be it on land on the seas or in the air But while many militaries have opened all positions to women even those on the front lines others remain closed Countries have cited a number of reasons for their policies including changing views of women and the military conscription and economic and demographic trends Written by a professor of comparative politics at the United States Military Academy at West Point and an active duty army major this book seeks to provide an understanding of women s roles in militaries around the world The book is organized by region

exploring societal and cultural views of masculinity and war as well as factors influencing changing views of women and the military including conscription and economic and demographic trends Topics also include sexual harassment recruitment and views on women's physicality and strength High school students undergraduates and general readers will find this cross cultural study a fascinating and important resource

**Peacekeeping in Africa** Marco Jowell, 2018-02-21 In recent decades African states have developed an impressive infrastructure for training their peacekeepers In addition peacekeeping peacebuilding and associated areas of conflict resolution have become significant areas of employment Marco Jowell has spent a decade working in peacekeeping training in East Africa initially as one of the foreign Technical Advisers at the Peace Support Operations PSO training centre in Kenya the International Peace Support Training Centre IPSTC and subsequently as a strategic adviser to the Rwanda Peace Academy Using first hand experience he considers how military forces from a variety of African states with great differences in history language and political systems and with militaries with different cultures and capabilities can conduct complicated multinational peacekeeping operations He shows how regional peacekeeping training centres provide an environment for African elites predominately military to interact with each other through shared training and experiences This process of interaction or socialisation improves skills but also encourages cohesion so that future African led missions will be managed by well trained officers who are comfortable and willing to work within a regional or Pan African framework Jowell shows that part of the aim of peacekeeping training centres is to foster a Pan African outward looking ideology or disposition as well as improving technical ability This book will be essential reading for all involved with African military and security studies and analysts of peacekeeping training and operations

**Youth In South Africa** Ariane De Lannoy, Malose Langa, 2021-05-05 South Africa is characterised by a youthful population and the challenges and possibilities that characterise the young generation are both warning signs and beacons of hope for a nation founded on social justice Youth in South Africa Agency in visibility and national development takes stock of the nation's development as it affects young people Authors offer both personal and professional insights into the ways in which the youth navigate their own pathways to adulthood These include formal and informal engagements with politics as well as protest un employment entrepreneurship education religion experiences with sexuality and violence and a multitude of other life experiences Contributors paint a picture of the initiative agency and resilience of the youth as well as the challenges before them Authors also identify the state of waithood faced by those unable to make the transition out of youth into full adulthood as a result of their socio economic circumstances and political context By engaging these experiences and insights and primarily informed by the inputs of young people the authors highlight the limitations of existing youth policies and frameworks The case is made for policy instruments to be informed by the lived experiences of the youth as they navigate a complex macrosocial environment and by the messages the youth communicate about the limitations of current approaches

**Annual Report** South Africa. Department of Defence, 2016 Political Economy of Post-apartheid South Africa Vusi

Gumede, 2015-12-29 The book made up of three parts covers a wide spectrum of political economy issues on post apartheid South Africa. Although the text is mainly descriptive to explain various areas of the political economy of post apartheid South Africa, the first and the last parts provide illuminating insights on the kind of society that is emerging during the twenty one years of democracy in the country. The book discusses important aspects of the political history of apartheid South Africa and the evolution of post apartheid society, including an important recap of the history of southern Africa before colonialism. The text is a comprehensive description of numerous political economy phenomena since South Africa gained its political independence and covers some important themes that have not been discussed in detail in other publications on post apartheid South Africa. The book also updates earlier work of the author on policy and law making, land and agriculture, education and training, as well as on poverty and inequality in post apartheid South Africa, thereby providing a wide ranging overview of the socio economic development approaches followed by the successive post apartheid administrations. Interestingly, three chapters focus on various aspects of the post apartheid South African economy: economic policies, economic empowerment, and industrial development. Through the lens of the notion of democratic developmental state and taking apartheid colonialism as a point of departure, the book suggests that so far post apartheid South Africa has mixed socio economic progress. The author's extensive experience in the South African government ensures that the book has policy relevance while it is also theoretically sound. The text is useful for anyone who wants to understand the totality of the policies and legislation as well as the political economy interventions pursued since 1994 by the South African Government.
