#### **Sans Religions Le Testament De Lours Polaire:**

Sans religions; le testament de l'ours polaire Daniel St-Amour, Sans religion Daniel St Amour, 2010 The polar Bear Testament: Without Religion Daniel St-Amour, A 13 500 year old polar bear tells a little penguin about his adventures amongst the humans revisiting the teachings of five historical figures that had a profound effect on him throughout his long life The first one is Noah who saved the polar bear from the great flood The second one is Moses the third one is Buddha the fourth one is Jesus and the fifth one and by no means the least is Muhamad It goes without saying that it takes a lot of guts to write about these exceptional men However the author manages a tour de force that is both enchanting and touching The most religious people of this world as well as the most hardened atheists will be touched by these words A narration in the style of Forrest Gump and with the innocence of The Little Prince makes this novel a must read From the very first pages the childlike yet thoughtful tone both amuses and provokes A voyage through the troubling and marking era of human history
