Karen G. R. Roekard, Nina Paley, 2013-08-03 The Santa Cruz Haggadah was written and 1st published in 1991 named after the town in which I then lived and where its birth took place It is now considered a classic In addition to acknowledging the historical Exodus as do traditional haggadot it is grounded on the ideas that it is up to us to heal the planet Tikkun Olam and also to free ourselves from whatever holds us back from being the best people we can be In essence it nurtures a very interactive seder that encourages personal liberation It was the first and may still be the only haggadah to receive rabbinic support haskamot from prominent rabbis across the Judaic denominational landscape from the late Chassidic leader the Bostonner Rebbe Reb Levi Yitzchak Horowitz zl all the way to Reb Zalman Schachter Shalomi shlita founder of the Jewish Renewal Movement The Participant s Edition THIS VERSION contains only the TEXT of The Santa Cruz Haggadah I recommend that you get one copy per attendee and have priced these to make this possible for most people The Leader s version contains more material and allows the Seder leader to tailor each year s seder to meet the needs of that year s attendees I recommend that the leader buy one copy of that version especially if they have not led a seder before see below at for more info The Santa Cruz Haggadah has sold well over 50 000 copies and is used by people from all the major faiths and at traditional non traditional mixed faith and even at Christian seders In the past few years we have become aware that kids who grew up with it are now ordering them for their own seders we are in our second generation Using The Santa Cruz Haggadah as the text at seders ensures that they will be deep high and fun meaningful joyous and memorable for all who participate It has been the greatest honor of my life to have my name attached to it I never expected it to keep on keeping on and am delighted that at last it can be solidly available without me having to be a slave to shipping shlepping and wondering if i billed people Enjoy and have a great Pesach Karen Roekard PS I am happy to answer any questions you may have 1 510 843 4952 CA time The Leader s Edition of The Santa Cruz Haggadah NOT THIS VERSION but used by the Leader to run the seder while Participant s use this version the Participant s version was originally the only version of the haggadah available It is what I considered to be The Santa Cruz Haggadah Early on though it became clear that people needed to buy 6 8 10 or more copies for their seders and the cost became prohibitive Thus I created an abbreviated version the Participant s version that only contains the text of The Santa Cruz Haggadah The year after it came out there were more than 70 newspaper articles on it and the press labelled this version The Leader s version so I followed their suggestion and started calling it that as well So the Leader s version contains this complete text of The Santa Cruz Haggadah and more It has 36 additional pages

of questions and information that give the leader strength knowledge and wisdom from the Chassidic and Kabbalistic traditions The leader can then raise and answer questions that arise from a place of heart and not just head The material on these pages are what get even the most estranged and or recalcitrant participants to actually talk to each other laugh with each other which is why people usually describe seders that have used this haggadah as the most meaningful ones they ve ever been to It also contains a 20 page Leader s Guide that provides everything you need to know to put on a seder and many ways to use this haggadah to do it Finally there is a complete Hebrew haggadah included which makes this version Kosher for any Orthodox attendees you may have

Lipis,1993 *A Mystical Passover* Mark Allan Kaplan,2006 [Jews and Judaism in The New York Times](#) Christopher Vecsey,2013-07-18 In a recent book Following 9 11 Religion Coverage in the New York Times Christopher Vecsey examines journalistic definitions of religion before and especially after the terrible events of September 11 2001 Here he explores Times portrayals of the cumulative religious tradition called Judaism embodied by peoples who have called themselves Jews from antiquity to modernity throughout the world and especially in the United States where a plurality of Jews live today and where the Times is published To understand Judaism today is to fathom its diverse texts beliefs rituals ethics and institutions the contemporary concerns of Jews and the relationships not only among Jews but also between Jews and gentiles and the continuing impact of anti Semitism upon Jewish life Since the 1940s Jews and Judaism have been profoundly affected by the horrific course of the Holocaust and by the formation of Israel as a Jewish nation state These have been the major themes in the Times treatment of Judaism chronicled in thousands of articles Like an insider to Jewish tradition the paper recounts favorite holy day recipes and tales of survival and travail in a multi national and assimilative world In so doing however the paper probes not only concurrence within Judaism but more tellingly a complex multi cultural at odds with itself Jewishness Rather than thinking of the Times as a mouthpiece for Jewish interests it is far more accurate to say that the Times has analyzed like an outsider the paradoxes the tensions and the culture wars in contemporary Jewish existence in order to define pluralistic Judaism as a political cultural religious entity The Times treats Judaism humanistically showing that it is the Jewish people who are most important to Judaism not merely the texts the theology or the institutions The paper works from perspectival Talmudic principles reporting multiple viewpoints in the circle of Jewish faith observance contestation and disbelief constantly questioning all sources as an observant instrument of inquiry into Jewish existence to

expose Judaism's points of conflict as well as its areas of consensus **Women Remaking American Judaism** Riv-Ellen Prell, 2007 Description of the changes in American Judaism to ensure that its rituals, texts and liturgies reflected the lives of women Coloring Outside Autism's Lines Susan Walton, 2010 Walton gives families living with autism a road map to rediscover joy, fun and togetherness that bypasses the information on therapy and advocacy that dominates other books and puts the focus on back family fun featuring more than 50 activities, adventures and celebrations *Talking Back* Joyce Antler, 1998 Essays that discuss the portrayal of Jewish women in American culture You Are Not Your Illness Linda Topf, 1995-05-08 The author who has lived with multiple sclerosis most of her adult life delves deeply into her own experience to reveal the keys to regaining emotional and spiritual wholeness when a serious illness or injury threatens to destroy one's sense of self. While serious illness, injury or disability can physically alter the course of your life, it can also cause great emotional upheaval. It is not uncommon to feel anger, frustration, grief, fear and denial as you try to accept a new way of living. As you lose your ability to do things you once considered routine, you may even feel that you are losing your self-worth that your physical condition is threatening your identity. Through a step-by-step process designed to show that real healing has little to do with the state of the physical body, Noble Topf offers a compassionate and inspirational message to anyone whose sense of self is threatened by physical limitations **Were Our Mouths Filled With Song** Eric L. Friedland, 1997-11-01 Since the period in which the Jewish liturgy was standardized, there has hardly been a time when it was not somehow in a state of flux. Eric L. Friedland explores the countless ways that the Siddur Mahzor and Haggadah have been adjusted, amplified or transformed so as to faithfully mirror modern Jews' understanding of themselves, their place in society and their sancta. In the tradition of liturgologists such as Elbogen, Idelsohn and Petuchowski, Friedland focuses on latter-day adaptations of the prayerbook, giving proper recognition to the recent concern for intellectual integrity, cultural congruity, group and individual self-redefinition and honest speech in Jewish prayer. The prayerbooks themselves are witnesses to innovation in the Jewish liturgy. From David Einhorn's *Olath Tamid* (Baltimore 1855) to Isaac Mayer Wise's *Minhag Amerika* (Cincinnati 1857) and Marcus Jastrow's 1873 revision of Benjamin Szold's *Abodath Israel* (Baltimore 1864), Friedland analyzes evidence of creativity in British and American Reform Jewish liturgy. Various rites for the Days of Awe provide a particularly accurate glimpse of how Jewish communities here and abroad experience the sacred, consider eternal mysteries and communicate with God. Friedland also sets the Reform Gates of Prayer in historical and denominational perspective by considering it alongside the Reconstructionist *Kol Haneshamah* and the Israeli Progressive *HaAvodah shebaLev*. The state and direction of liturgical change emerges from a survey of commonalities and divergences in nineteenth and twentieth-century prayerbooks in terms of Sephardic and mystical influences, attitudes toward the messianic hope and collective sentiments of forgiveness or vengeance toward Israel's enemies. Liturgical approaches to the commemoration of the Ninth of Av suggest that even an ancient fast day can recover relevance, credibility and authenticity for Liberal Jews in the

postmodern era **When Religion Meets New Media** Heidi Campbell, 2010-04-05 This lively book focuses on how different Jewish Muslim and Christian communities engage with new media Rather than simply reject or accept new media religious communities negotiate complex relationships with these technologies in light of their history and beliefs Heidi Campbell suggests a method for studying these processes she calls the religious social shaping of technology and students are asked to consider four key areas religious tradition and history contemporary community values and priorities negotiation and innovating technology in light of the community communal discourses applied to justify use A wealth of examples such as the Christian e vangelism movement Modern Islamic discourses about computers and the rise of the Jewish kosher cell phone demonstrate the dominant strategies which emerge for religious media users as well as the unique motivations that guide specific groups **The Haggadah Treasury** Nosson Scherman, 1980 The Haggadah Treasury Rabbi Nosson Scherman s anthology of insights interpretations and parables enables young and old harried after the endless preparations for Pesach and too tired for scholarly commentary to find a wealth of material that will enhance their Seder table Layman and scholar will find much here that is new and provocative and much that is familiar and beloved As he has done so many times in the past Rabbi Scherman successfully captures the essence of the topic on which he is writing This time it is the Seder old and remembered yet an eternal wellspring of stimulation and inspiration Full color soil resistant laminated cover **The Utne Reader** ,1997 **New Age Journal** ,1997 *Tikkun* ,1992 *New Menorah* ,1993
