**Lifespan Development** Kelvin Seifert,Robert J. Hoffnung,Michele Hoffnung,1997 The authors believe that lifespan psychology is relevant to current career and social issues that all adults face It is especially relevant to those who will work or live with children adolescents or the elderly Their goal in writing this book is to present development at every stage of lifespan from a growth perspective Pref The authors wrote this new text to enable students to find themselves and the people they know in the story of lifespan development It is a story of how we grow and change throughout our lives and of the continuities across every stage and domain of life Back cover

**Psychology** John W. Santrock,2000 Based on the extensively revised Santrock s Psychology 6e Psychology Brief Edition is a highly readable practical and research oriented introduction to the discipline The Brief Edition was developed to satisfy the demand for a shorter text that could easily be covered in one semester Chapters were rewritten to maintain the continuity and pedagogy that has made Santrock a student and market favorite Memory Language and Intelligence have been combined to form one cohesive chapter and the health psychology and statistics coverage has been moved into an appendix Santrock provides faculty and students with the most relevant introduction to psychology available no other Introductory text provides a better

balance of research vs pedagogy content vs applications depth vs breadth and theoretical vs practical information All of this is presented in the clearly understandable and straightforward prose that Santrock is renowned for and in a highly visual design that is pedagogically sound and engaging without being distracting     Psychology Jane S. Halonen, John W. Santrock, 1996 The second edition of this introductory psychology textbook enables the reader to analyse and better understand themselves and others by increasing their awareness of the diversity of human behaviour The book stresses critical thinking about all aspects of behaviour and emphasizes the sociocultural perspective throughout providing students with a broader global view of the science of psychology     Life Span Development 13th Edition John W. Santrock, 2011

**Adolescence** John W. Santrock, 1998 New edition after 1981 and 1984 of a college textbook     *Human Behavior in the Social Environment* José B. Ashford, Craig W. LeCroy, Kathy L. Lortie, 2006 Ashford LeCroy and Lortie's ground breaking book offers students a balanced integrated introduction to human behavior in the social environment Lively and comprehensive this book succeeds by helping students connect foundation knowledge with practice concerns Clarified through the introduction of study tables and concept maps at the end of each discussion behavior in the development chapters the authors look at biopsychosocial development across the life span using an integrative multidimensional approach discussing integrative practice theory treatment and services throughout This multidimensional framework provides a concrete tool for the reader to assess human behavior from a perspective that truly reflects the values and knowledge base of the social work profession Together the book's solid coverage of foundation knowledge integration of the biopsychosocial dimensions for assessing social functioning its multidimensional framework and its use of case studies to illuminate the applied aspects of HBSE content along with the authors consistent attention to diversity successfully combine to give readers a meaningful exciting experience     Life-Span Development John W Santrock, 2012-11-27 Connect with Lifespan Development and connect with success Informed and driven by research At McGraw Hill we have spent thousands of hours with you and your students working to understand the key needs and concerns you face in Human Development courses The most common topics raised include managing the vast amount of content inherent to a Lifespan course and ensuring the dependability of the assigned material is it current and accurate The result of this research is John Santrock's Life Span Development Life Span Development ensures students complete and understand the assigned material in a number of ways Santrock's hallmark Learning Goals pedagogy provides a comprehensive roadmap to the text material clearly pointing out the core concepts fundamental to students learning and performance Our adaptive study tool LearnSmart increases students efficiency in studying by identifying what they know and more importantly what they don't know providing immediate remediation for the areas in which they are struggling At the same time instructors have access to powerful visual reports allowing them to quickly see where students strengths and weaknesses lie Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it
