Wildlife Wars Terry Grosz,1999 Environmentalism meets Indiana Jones in these rip snorting tales of a former wildlife
conservation officer The bad guys here are illegal deer hunters law breaking drag boat fishermen who pilfer the ocean depths
poachers who kill elk anglers who disrupt historic salmon spawning grounds and other miscreants who feed the flourishing
illicit wildlife trade Grosz has seen them all and arrested many in his 32 years as a special agent for the U S Fish and Wildlife
Service and as a California state fish and game warden A bear of a man six foot four over 300 pounds Grosz relates his
exploits in adventures full of slam bang action and bravado tempered by a coolheaded sense of humor Motivated by
reverence for God s creation he comes off as a mixture of guts and heart In one episode he sleeps overnight in a California
rice field with a feeding flock of several thousand mallard ducks to protect them from commercial hunters Full of gumption
and guile Grosz readily admits to failings that render him more likably human He gets seasick and retches while making on
board boat inspections and in one bust gone bad a duck hunter sprays his backside with 189 shotgun pellets Overall these
offbeat tales effectively dramatize the underfunded underappreciated dangerous and heroic activities of wildlife agents Oct
