Sands of Death Michael Asher, 2007 In December 1880 a French expedition attempted to map a route for a railway that would stretch from their colony in Algeria right across the Sahara desert to reach their territories in West Africa Paris to Timbuctoo in Six Days was the slogan It would do for the French colonies what the American railways were doing in the western states at the same time No native opposition was expected As one of the expedition s organizers said A hundred uncivilized tribesmen armed with old fashioned spears what is that against the might of France Four months later a handful of emaciated survivors staggered into a remote outpost on the edge of the desert Although armed with modern rifles the column had been lured to destruction by the self styled lords of the desert the Tuareg At this the highpoint of European colonialism in Africa this story of treachery massacre torture and even cannibalism made headlines around the world Attacked by the Tuareg in their remote heartland the survivors had been pursued for weeks on end driven into the waterless desert to die The desperate lengths they resorted to shocked Victorian sensibilities They do not make easy reading now This grisly story told by our greatest living desert explorer reveals what happened when the conceit of western colonialism met the equally arrogant Tuareg who

had dominated this remote region and anyone trying to cross it for a thousand years *The Lost Oasis* Saul Kelly,2002 Documents the adventures of the desert explorers known as the Zerzura Club noting their efforts to map the desert for espionage and military purposes and citing how their origins in subsequently warring nations caused club members to work against each other 35 000 first printing Desert Explorer Peter Clayton,1998 **The War in the Desert** Roger Parkinson,1989 **Sand In A Whirlwind, 30Th Anniversary Edition** Ferol Egan,2016-06-01 Sand in a Whirlwind is a dramatic account of the events surrounding hostilities between settlers and Pyramid Paiutes in the spring of 1860 Thirty years after its publication Ferol Egan s now classic tale continues to enlighten and engage readers The war in the desert Richard Collier,1974 **Desert War** Russell Hill,2012-10 **Memories from a Culturally Insignificant War** Joseph Murgia,2025-05-10 Memories from a Culturally Insignificant War is the gripping side splitting memoir you didn t know you needed It s like Saving Private Ryan but if Private Ryan was a sarcastic twenty something with perfect follicles and a tendency to narrate military maneuvers like an infomercial In this epic tale you ll discover How the author fought tyranny dehydration and military issue MREs simultaneously Why his hair could have defeated Saddam on its own How one man bravely took credit for a group effort and lived to brag about it in hardcover **The Hunt for Zerzura** Saul Kelly,2002 This is a study of the true story behind The English Patient one of the least known and most extraordinary episodes of World War II In the 1930s the Zerzura Club named after a lost oasis in the Libyan desert met once a year for dinner at the Cafe Royal in London Ostensibly its members were cosmopolitan adventurers indulging a craze for desert travel by motor car and aeroplane and searching for the lost oases and ancient cities of a vanished civilization In reality they were mapping the desert for military reasons marking vital wells and checking terrain The Club s members were drawn from countries that would soon be enemies and fellowship masked a vicious rivalry Mussolini hoped to make Egypt the centrepiece of a new Italian empire but the British for whom the Suez Canal was strategically vital were determined to hold onto that country When war broke out in 1939 Ralph Bagnold founded the Long Range Desert Group to spy on and disrupt the Axis powers advance on Cairo under Rommel while his fellow club member Count Almasy tried to spirit the Egyptian Chief of Staff out of Cairo and succeeded in inserting German spies Both of them were using knowledge and desert craft drawn from the hazardous hunt for the Zerzura Oasis where each had deceived the other about his true purpose In telling this story Saul Kelly draws on interviews with survivors as well as previously unknown documentary material in Britain Italy Germany Hungary and Egypt His book reads like a thriller by John Buchan or Frederick Forsyth with one key difference it is true

The Gulf Between Us Cynthia B. Acree,Cliff Acree,2003 The memoir of a captured marine pilot and his wife who fought her own kind of war *Setting the Desert on Fire* James Barr,2008 During World War I the region now known as the Middle East was a turbulent violent zone as warring Western powers scrabbled for resources and influence while the locals the Arabs and the Turks of the Ottoman Empire fought their own battles and found their own allies inside cover
