Contemporary Issues in South African Military Psychology Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

The Handbook of African Defence and Armed Forces Evert Kleynhans, Marco Wyss, 2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its

strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations

Special Operations Success James D. Kiras, 2024-10-24 *Special Operations Success* establishes a new benchmark in military theory in this deeply analytic and innovative work It answers several pressing questions How successful have American special operations been over the past quarter century Are special forces fated to cycles of expansion and misuse Will special forces invariably exceed the authorities granted to them because of they are Is a general theory of special operations feasible given the range of activities and conditions that fall under the category Kiras work is based on two decades of practical teaching and consulting experience within different special operations communities and its analysis and conclusions are designed to inform practitioners policymakers educators and the general public The book develops a framework in the form of a theory comprising capabilities and control for the comprehensively evaluating special operations success and is divided into three parts Part I lays the foundation for a general theory of special operations Part II explores the two component parts of theory capabilities and control and Part III uses various aspects of the theory depending on available information to assess the success of special operations over a twenty year period in the United Kingdom South Africa and the United States

South Africa and United Nations Peacekeeping Offensive Operations Garcia, Antonio, 2018-08-16 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIB s objectives This comes at a critical time where blue helmets are increasingly exposed to complex and

challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges

Rethinking Humanitarian Intervention in the 21st Century Aiden

Warren, 2017-06-02 Since the end of the Cold War humanitarian interventions have continued to evolve and respond to a wide range of political crises These insightful essays focus on the challenges associated with interventions when facing conflict and human rights violations unmitigated systematic violence state re building human mobility and dislocation Each chapter is linked to the rest through three defining themes that permeate the book the evolution of humanitarian interventions in a global era the limits of sovereignty and the ethics of interventions and the politics of post intervention re building and humanitarian engagement The authors incorporate a variety of case studies including Kosovo Timor Leste Syria Libya and Iraq and examine the complexity of interventions across their different dimensions including relevant doctrines such as R2P Use of Force and Human Security

South Africa's Post-Apartheid Military Lindy Heineken, 2020-01-01

This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world

Policing and Boundaries in a Violent Society Guy Lamb, 2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization

The Battle of Savate Piet Nortje, 2015-05-08 On 21 May 1980 under the codename Operation Tiro Tiro 32 Battalion attacked and routed a FAPLA brigade at Savate a small Angolan town 75 kilometres north of the border with South West Africa Fifteen members of 32 Battalion were killed in the action and many more wounded It was the highest South African casualty rate in a single skirmish since the start of the Border War Overall however Savate was a significant victory for 32 Battalion FAPLA suffered heavy casualties and the invaders captured a great

many vehicles weapons ammunition and other equipment Operation Tiro Tiro or the Battle of Savate as it became known was the first time the SADF had engaged FAPLA in battle since 1975 And despite the record number of casualties it was 32 Battalion s biggest victory since its formation in March 1976 While the Border War came to an end in 1989 and 32 Battalion was disbanded in March 1993 to this day a remembrance service and parade is held annually on the Sunday closest to 21 May to commemorate the Battle of Savate and to remember 32 Battalion s victory and the price they paid Drawing from official documents in the Department of Defence Documentation Centre that have only recently been declassified and from testimonies of soldiers on both sides The Battle of Savate is the definitive account of one of the greatest battles of the Border War describing in detail the operation its motivation and planning its achievements and failures and vividly recreating the experience of what happened on the ground

Reflections on the Complexities of the Covid-19 Pandemic Shadrack B. Ramokgadi, Mbekezeli C. Mkhize, 2022-12-31 This book offers an original and timeless snapshot of contemporary lines of argument from various authors in the Global South on the Covid 19 pandemic as a complex emergency at the height of the pandemic At the time of writing there were various levels of uncertainties from different countries citizens the public and private sectors industries and economies who were in disarray The book traces the origins of the Covid 19 pandemic in the province of Wuhan in China the challenges and the responses from a multiplicity of countries particularly from the Global South Of particular importance the book notes that vaccine uncertainty limiting the spread of the virus and loss of life and employment were some of the major challenges that these governments and citizens were confronted with Also the sizes of various economies lead to various challenges that the abovementioned governments shouldered The contributors shed light on various aspects related to the Covid 19 pandemic from various countries in the Global South and include but were not limited to securitised lockdowns the use of militaries and complete closures of national and sometimes fragile economies as well as overburdened health systems These are just some dire consequences of Covid 19 on the public and private sector industries and economy The book emphasises that despite myriad challenges reported there are various lessons that can be learnt in terms of how the countries responded to the pandemic and in terms of how future pandemics can be handled Finally this is an interesting piece of work wherein contributors as a collective seek to shed light with regards to the unique perspectives from the Global South and at the same time give some guidance related to their specific areas of focus

Reappraising the Life and Legacy of Jan C. Smuts David Boucher, Bongani Ngqulunga, 2024-08-01 In this book the authors cover both familiar and unfamiliar themes One of the principal themes running throughout the book addresses head on the deficiency in the literature highlighted by Saul Dubow namely the question of racism and Smuts s reluctance to implement native policies that may have averted future problems rather than postpone them We see throughout a gap between the rhetoric and policy and between policy and practice in its implementation Amongst the familiar themes that are reappraised are Smuts s successes and failures in policies and leadership domestically and internationally This wide ranging

volume re evaluates myriad aspects of Smuts life philosophy political career and legacy An important and timely book exploring one of South Africa s most consequential and controversial leaders Luc Andre Brunet Contemporary International History The Open University The book is a great contribution to South African cultural and social history With the military element covered in other publications the editors and authors have focussed on the less well trodden aspects of Smuts s history including but not limited to discussions on the atomic bomb counter revolution film early cabinets racialism trusteeship greatness political philosophy racial segregation and myth making The editors have skilfully continued the longer political discussion reflecting on the myth and legacy of a prominent South African Smuts Antonio Garcia Stellenbosch University coauthor of Botha Smuts and the First World War co founder Underground Strategy
