**Through the Flames** Denise Bartlett, 2019-10-11 Through the Flames is a novel about a promising high school quarterback with a bright future in football. He has the adoration of his team, his school and his girl. Who could ask for more? True, Larry Allen's family is a shade on the dysfunctional side, but who has a perfect home life these days, right? His dad is away playing pro ball and training half of the year; his mother is a basket case since his older sister died. Book One of the Fire Series: Into the Fire, and his older brother has lost his drive to go anywhere in life. But Larry has it all together and is determined to be a success and take his team to the championships one more time before he graduates and signs with the college of his choice. Things are just great until Dad gets badly injured in play and Larry gets taken out by a member of the opposing team who has it in for him. The plot thickens from there and Larry finds himself suddenly uncertain what the future will hold for him. Denise Bartlett has worked with people with Traumatic Brain Injury (TBI) over the years and has seen some of the devastating effects of TBI. Her experience with TBI survivors is what fueled this story and she has done her homework to make this tale a realistic, gripping glimpse of what goes on in the sports arena. The hope is that Through the Flames can help raise awareness about concussion in contact sports, particularly for young athletes and the consequences of not taking head injuries seriously enough.
