## **Perceptions Of Students And Parents In A Needs Assessment:**

**Perceptions of Students and Parents in a Needs Assessment** Werner Mailandt, 2014-11-20 This book describes the administration and analysis of a needs assessment to identify top priorities to develop a Comprehensive Guidance Program CGP The assessment was given to junior high students and their parents This is a comparison of students and parents perceptions of the needs of students in a junior high school setting The findings indicate that parents and students shared similar views on themes of support for career and future plans concern for more information on health issues and concerns of what services the school should provide However students and parents individual needs were not similar Statistical Analysis show a very low overall correlation between the ranking of needs of the two groups The findings led to the recommendation that thematic similarities should guide the development of programs and that community support should be sought to address individual priorities identified by each group A major benefit of the study was the development of a process for the engagement of the community in school development Further investigation may be needed to help understand the differences in the parents and students perceptions *Resources in Education* ,1999 *The School Counselor's Desk Reference and Credentialing Examination Study Guide* Rita Schellenberg, 2017-12-22 The School Counselor's Desk Reference and Credentialing Examination Study Guide Second Edition is the only study guide and desk reference on the market that covers the latest ASCA School Counselor Competencies CACREP Standards and the CAEP and NBPTS Standards It effectively prepares students for the Praxis II Professional School Counseling exams 5421 0420 NBPTS School Counseling National Certification exam School Counselor Preparation Comprehensive exams and state specific certification exams for the professional practice of school counseling This revised volume is designed to build knowledge and skills through end of chapter practice tests a full length practice exam with exam answers and rationales guided reflections and case studies Additional resources include a glossary of important terms and a list of commonly used acronyms within the profession

**Developing and Managing Your School Guidance and Counseling Program** Norman C. Gysbers, Patricia Henderson, 2014-11-21 The fifth edition of this bestseller expands and extends Gysbers and Henderson's acclaimed five phase model of planning designing implementing evaluating and enhancing Pre K 12 guidance and counseling programs This enduring influential textbook has been fully updated to reflect current theory and practice including knowledge gained through various state and local adaptations of the model since publication of the last edition Exciting additions to this new edition are increased attention to diversity and the range of issues that students present counselor accountability and the roles and responsibilities of district and building level guidance and counseling leaders in an increasingly complex educational environment An abundant array of examples sample forms job descriptions evaluation surveys flyers letters and procedures used by various states and school districts clearly illustrate each step of program development At the end of each chapter a new feature called Your Progress Check functions as a tracking tool for growth at each stage of the change process
