great truths in life is that your belief creates your reality In other words your reality is generally a reflection of the beliefs of your subconscious mind By the way what is a belief A belief is simply a thought that is accepted by your subconscious mind Actually not all thoughts are turned into realities Only thoughts that are believed by the subconscious mind are turned into realities The reason why belief turns into reality is because of the Universal and Natural Law of Attraction **McClure's Magazine** ,1919 The Outlook Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1919
