**The Antichrist and the Second Coming**,      [The Antichrist and the Second Coming](#) Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years

**The Man of Sin** Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist

Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study Three Views on the Millennium and Beyond Zondervan,2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *Encyclopedia of Time* H. James Birx,2009-01-07 With a strong interdisciplinary approach to a subject that does not lend itself easily to the reference format this work may not seem to support directly academic programs beyond general research but it is a more thorough and up to date treatment than Taylor and Francis's 1994 Encyclopedia of Time Highly recommended Library Journal STARRED Review Surveying the major facts concepts theories and speculations that infuse our present comprehension of time the Encyclopedia of Time Science Philosophy Theology Culture explores the contributions of scientists philosophers theologians and creative artists from ancient times to the present By drawing together into one collection ideas from scholars around the globe and in a wide range of disciplines this Encyclopedia will provide readers with a greater understanding of and appreciation for the elusive phenomenon experienced as time Features Surveys historical thought about time including those ideas that emerged in ancient Greece early Christianity the Italian Renaissance the Age of Enlightenment and other periods Covers the original and lasting insights of evolutionary biologist Charles Darwin physicist Albert Einstein philosopher Alfred North Whitehead and theologian Pierre Teilhard de Chardin Discusses the significance of time in the writings of Isaac Asimov Samuel Taylor Coleridge Fyodor M Dostoevsky Francesco Petrarca H G Wells and numerous other authors Contains the contributions of naturalists and religionists including astronomers cosmologists

physicists chemists geologists paleontologists anthropologists psychologists philosophers and theologians Includes artists portrayals of the fluidity of time including painter Salvador Dali s *The Persistence of Memory* and *The Discovery of America* by Christopher Columbus and writers Gustave Flaubert s *The Temptation of Saint Anthony* and Henryk Sienkiewicz s *Quo Vadis* Provides a truly interdisciplinary approach with discussions of Aztec Buddhist Christian Egyptian Ethiopian Hindu Islamic Navajo and many other cultures conceptions of time Key Themes Biography Biology Evolution Culture History Geology Paleontology Philosophy Physics Chemistry Psychology Literature Religion Theology Theories Concepts     *Ta Pruett's Commentary on the New Testament* T. A. Pruett,2023-06-05 Are you ready This book was not written to just inform the believer It was written to warn the lost It is our challenge and duty to inform and seek out the lost so that we can have as many brothers and sisters filling the rooms that Christ has gone to prepare After all how far off can eternity be for us all Peace to all of you My Brothers and Sisters     *Rethinking Eschatology* Jason L. Quintern,2025-01-23 In *Rethinking Eschatology* Jason L. Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future

**Through the Thicket** Ivan W. Bowden,2017-12-22 Unceremoniously dismissed from his lectureship in New Testament Dr Edward J Sutherland uses his forced retirement to struggle through a thicket of end times issues in a conservative church Interaction with a defense lawyer induces him to reconsider his inherited eschatology by engaging honestly with the biblical text He faces conflict within himself with a crusading dispensationalist church elders a newly appointed American pastor and a militant atheist Set in the Sunshine Coast of subtropical Australia the book goes beyond entertaining through romance touches of humor and conflict resolution Readers are exposed to vigorous discussions at a surf club a backyard barbecue a second coming conference in a neighbor s lounge room or via email They are forced to examine their presuppositions on topics including the rapture the antichrist the tribulation the purpose of Christ s second coming and the kingdom of God Whether they alter their views on such topics is less important than that they cultivate sound principles of biblical interpretation uphold the integrity of Jesus and the biblical authors and respect fellow Christians with whom they disagree

**Back to the Future** Ralph E. Jr. Bass,Ralph Bass,2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers

Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest     **Progressive**

**Dispensationalism** Ron J. Bigalke,2005-10-27 The first book of its kind Progressive Dispensationalism presents a comprehensive and collaborative look at the arguments against and the errors within the progressive dispensationalist movement The authors begin with a history of dispensationalism and then provide detailed examinations of sixteen key issues including the hermeneutics of progressive dispensationalism the relationship between covenants and dispensations the Abrahamic Land Davidic and New Covenants cessationism and the dangers of progressive dispensationalism to premillennial theology Written by pastors professors and Ph D s from across the country Progressive Dispensationalism will serve as a valuable resource for Bible students scholars and theologians navigating these complex issues     Tres perspectivas sobre el

From Age to Age Keith A. Mathison,2009 Using the narrative method of biblical theology From Age to Age traces the eschatological themes of Scripture from Genesis to Revelation emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over arching picture

Grass,2012-10-09 The nineteenth century Scottish theologian Edward Irving has been the subject of a remarkable resurgence of interest in recent decades but many studies focus on specific aspects of his thought This biography portrays Irving s life and ministry as a whole drawing on previously unused letters as well as his published writings to offer a readable and well grounded narrative Apart from the personal interest of this story Irving s thought and practice as a preacher and pastoral theologian remains worthy of serious attention      **Four Portraits of Jesus** Elizabeth E.
