Cornflakes Packet In My Shoe Richard Dickson, 2023-03-31 Somewhat late in life I decided to write a book based on an idea which had been kicking around in my head for some time The story concerns some antique dealers who meet every Friday at 4am in the Caledonian Antique Market in Bermondsey in all weathers The group spent a lot of time laughing about the futility of trying to deal with the rain frost and snow When not soaking wet we are cold and shivery but turn up every week without fail because they love every minute of it A buying trip to East Anglia turned out to be very eventful and profitable with several twists in the plot which it is hoped that the reader will enjoy The results of this trip enabled us to form a business partnership with a view to making our fortunes An unexpected inheritance enabled us to open a Mayfair showroom and stock it with our specialities of furniture pictures and ceramics Later books may reveal the outcome of this venture
