

RESIDENCY LETTER OF RECOMMENDATION SAMPLE

To the Admissions Board of Bonnyville Hospital:

It is a great honor to submit this letter of recommendation to support Dr. Walter Jones in his application for a Residency Program in Geriatrics. I have had the pleasure of working with and mentoring Dr. Jones throughout his time in medical school, and have gotten to know him both professionally as well as personally. He is truly an exceptionally bright student, and his genuine care for patient health has shone through all of his activities in medical school. I believe that he is a top-tier candidate for your residency program, and that he will continue to succeed in the medical field.

My first interactions with Dr. Jones were in the small group sessions at the beginning of his first year of medical school. I noticed immediately that he was extremely well prepared, having reviewed the source material as well as having done his own research. His talent in coursework also extended to his time on rotations, where all of the attending physicians reported him to be very dexterous, logical, and extremely well prepared for each case. I believe that these are all traits of an excellent physician, and I hope that he will be able to continue his studies in the Geriatrics field.

Dr. Jones has expressed his interest in Geriatrics since he first entered medical school. Although his test scores enable him to apply to any number of fields, Dr. Jones maintained that there is a need for Geriatric Physicians in the community, and he wishes to help the area through his expertise. I believe that his caring nature and excellent bedside manner will be a great match for the nurturing environment at your hospital, and I highly recommend Dr. Jones for this Residency in Geriatrics without any reservations.

Sincerely,
Dr. Jamil Johnson, MD
Professor of Medicine
Fordham University
