

Personal Profile Essay Example

I spent my childhood surrounded by a beautiful natural landscape of white sand beaches, turquoise water and tropical jungle with a large variety of wildlife. In kindergarten I assisted to a Interiors school which promoted the moral values of humanity. Afterwards I attended a Waldron school which had great emphasis on arts and the development of human as an aromatic being in concordance with the nature. Through out the elementary school I developed tastes for the arts which the school had and offered many means to help me succeed in this field that until today I keep sharpening.

Thanks to my school and its great education everyone in my class and the in whole school developed sense of taking care of the planet helping as you loud not mattering how small the action was, the intention was what counted and if every person helped with their small grain of sand it would make a huge difference. Since a child I always enrolled and volunteered in beach cleaning campaigns and projects which I did not only for the helping but the pleasure of being on the beach on a beautiful place I was blessed to be living in.

I was tough to play the flute but I never developed likes for other instruments which at this day I regret and I know it isn't to late to start, it never is but simply I haven't have enough willpower to make it append. As for sports I found my self attracted to swimming since a little kid, well anyone who lived in the place I used to would have done it too, it is impossible to resist to that Caribbean turquoise warm water. After learning to swim in the sea and enjoy the pleasures of snorkeling I Join a local swimming team to take my swimming to an other level: competitive swimming.

I found my self to be fairly good at this deadline and with the required amount of effort, training and discipline I could accomplish some goals and win a few swimming encounters and go to the state competitions. Whether it is by the fact that I grew up in a place where water was by my side or by some other reason I have always felt extremely comfortable in the water, I just can't get over the feeling of holding my breath and swim deep down the surface and have the sensation of being floating in a peaceful place Just relaxing while you don't hear anything else but the beat of your heart.

As for other sport I started practicing Kick boxing at the age of 14 which at the time I considered to be a super cool sport and wanted to learn how to defend my self when the time need it.

It helped me build a sense of discipline and courage. A funny is that I have never fought in my life despite the fact that I consider my safe very capable of defending myself although I may not apparent it. It may be because I don't get angry easily and it is easy for me to remain calm in heated situations or Just that I m a peaceful person whom it is easy to get along with.
