Reel Gender Sa'ed Atshan, Katharina Galor, 2022-10-20 *Reel Gender* is a groundbreaking collection that addresses the collective realities and the filmic representations of Palestinian and Israeli societies The eight essays by leading scholars demonstrate how Palestinian and Israeli film production despite obvious overlaps and similarities and while keeping in mind the inherent asymmetry of power dynamics are at the forefront of engaging gender and sexuality The scholars of this volume construct and deconstruct still and moving images characters and stories that create an entanglement of Palestinian and Israeli cinema Together they portray the region's diverse but unexpectedly intermingled ethnic religious and national communities framed or countered by various societal norms laws and expectations while also defined by colonial realities The essays draw methodologically from the fields of media and cultural studies critical and postcolonial theory feminism post feminism and queer theory

Pickers and Poets Craig E. Clifford, Craig Hillis, 2016-12-24 Many books and essays have addressed the broad sweep of Texas music its multicultural aspects its wide array and blending of musical genres its historical transformations and its love hate relationship with Nashville and other established music business centers This book however focuses on an essential thread in this tapestry the Texas singer songwriters to whom the contributors refer as ruthlessly poetic All songs require good lyrics but for these songwriters the poetic quality and substance of the lyrics are front and center Obvious candidates for this category would include Townes Van Zandt Michael Martin Murphey Guy Clark Steve Fromholz Terry Allen Kris Kristofferson Vince Bell and David Rodriguez In a sense what these songwriters were doing in small intimate live music venues like the Jester Lounge in Houston the Chequered Flag in Austin and the Rubaiyat in Dallas was similar to what Bob Dylan was doing in Greenwich Village In the language of the times these were folksingers Unlike Dylan however these were folksingers writing songs about their own people and their own origins and singing in their own vernacular This music like most great poetry is profoundly rooted That rootedness in fact is reflected in the book's emphasis on place and the powerful ways it shaped and continues to shape the poetry and music of Texas singer songwriters From the coffeehouses and folk clubs where many of the founders got their start to the Texas flavored festivals and concerts that nurtured both their fame and the rise of a new generation the indelible stamp of origins is inseparable from the work of these troubadour poets

The Great Motivation Swindle Laura Tong, Mark Tong, 2014-06-08 Do you dream of doing something awesome big or small towards a Great Life anything indeed but when you try to motivate yourself into actually getting off your burgeoning ass and taking some kick ass action nothing happens zilch Somehow for some damn reason you can t identify your motivation always fails to show up for the party Goes AWOL There s a strong chance it s never your true

dream you're chasing but some swindling parasitic desire foisted on you in short you've been swindled you're a casualty of The Great Motivation Swindle Too many great people are failing to achieve the success and Great Life they could be living and it seems to be assumed that this is a natural state of affairs and there is little that can be done about it So what do you do if you find it harder to get motivated than a shark at a salad bar If you're feeling more demotivated than an albino in a heatwave What happens is you turn to self improvement But the killer is that this industry is largely just putting out the same swindling message as society more and more dressed up in pseudo science and psychological jargon The mountains of motivational literature images and quotes that are designed to get you fired up enough to get going and kick some ass are in fact doing the oh so opposite rather than motivating ordinary people to get out there and chase down some sweet dream they are demotivating them or worse still encouraging the swindleous practice of substituting some other bastard's aims and desires for yours So what's the alternative The alternative is a Revolution A Revolution for the Common Man A Revolution where you buck the swindle and the whole concept of self improvement replace all the corrosive crap in your head with your own unique desire and motivation to pursue your own happiness and go grab whatever the hell you want as you The book also includes 19 Motivational Rules for the Common Man Hungry Heart Violet Haze, 2015-03-18 I've been in an open relationship with Nathan my long term boyfriend who already has another girlfriend So far no one has sparked my interest until Benedict Grant a charismatic local businessman catches my attention at my favorite cafe and discreetly slips his card into my pocket What starts as a chance encounter quickly blossoms into a passionate whirlwind romance As our connection deepens secrets we've held close transform into mutual desires and everything feels right until a devastating murder of someone close to me turns my world upside down leaving me reeling and heartbroken Now with my life irrevocably altered and doubts creeping in about the power of love alone to sustain us I'm left wondering will Benedict prove he's the one who can truly soothe my hungry heart Myself Leigh Santoro, 2015-02-16 Doctor Theodore Teddy Thyme is one of the best in his field He finds his professional work both industrious and enjoyable Raine Justice Liverboardman will prove to be the ultimate challenge of Dr Thyme's entire career Raine has been charged with attempted capital murder Dr Thyme is the psychiatrist chosen to examine Raine to determine if Raine is fit for trial The case itself is hazy at best No body had been discovered yet Raine confessed to the murder When Dr Thyme meets Raine he finds a person infected by evil and genius in equal quantities He questions Raine's family members and finds a history of bizarre ghastly and probably abusive people Which may explain the murderous behavior of his patient However as the case goes to trial Dr Thyme wonders if Raine is up to something more macabre Some sort of sick joke of sorts Raine is certainly intelligent enough to undermine the United States judicial system Yet there is a full confession from Raine on record Haunted by Raine Dr Thyme might soon discover that the proximity to madness has severe consequences These characters make the Jukes look like the Brady Bunch Trying to understand the family tests even Thyme's superlative skills Blueink Review In Myself Leigh Santoro tackles the viewpoints of

multiple characters in the examination of a man who has been charged with attempted capital murder The plot itself is interesting Those who enjoy psychological intrigue may find this book fascinating Readers who enjoy weighty psychological mysteries will be intrigued by Santoros premise Foreword Reviews Santoros novel is a scrupulously detailed narrative She unflinchingly delves into Raines psyche but handles the story with competence and finesse The interviews Thymes conducted help the reader understand diagnoses like paranoid personality disorder afflicting both Raine and Warren The story in general is baffling but the docs examination of an eccentric protagonist is enthralling Kirkus Reviews [The Daily Adventures of Mixerman](#) Mixerman,2018-11-23 The Most Infamous Studio Session Ever Documented In the summer of 2002 I began to chronicle my Daily events on a Major Label recording session with a bidding war band an infamous producer and a seemingly limitless budget Every night after a long session with these crazy characters I posted up the day s events The results were spectacular As Metro reporter Gina Arnold put it Mixerman is supposed to be writing about recording techniques but somehow through that prism he has hit upon a gripping story That s right it was even mentioned in random newspapers at the time When I began posting my story I had an audience of 200 By week 4 that grew to 25 000 And by the last entry I was posting to the delight of over 150 000 music business professionals around the world There were discussion threads all over the internet debating every decision we made along the way The story went viral before viral was even really a thing Most people find them sidesplittingly hilarious Others find them reprehensible but that too is rather hilarious The Daily Adventures are also available as an audiobook which has been produced like an old radio show with music foley sound x and characters performed by some of the most well known record producers and engineers of all time **The Devil's Handmaid** Kirk F. Panneton,2014-09-08 Author Kirk F Panneton battled acute depression for more than a decade prior to his nearly successful suicide attempt on January 27 2013 Although that moment marked the peak of numerous physical and psychological struggles it also serves as the starting point for his journey through the fourth dimension during his recovery Panneton spent four weeks in a rural ICU in Arkansas in an epic battle for his own survival During this time he experienced a passage through hell as a soldier of light as his loved ones looked on from the sidelines He chose life and love time and again in order to emerge victorious from the endless and unforgiving tests set forth for him by the forces of evil In this memoir he recounts his story of redemption both his physical experiences after waking and those that occurred while he was in a comatose state He shares not only his recollections but also personal writings from himself and from family members during that period describing the events as they lived them Most of all he presents a unique firsthand narrative of his encounter with death in hopes of giving people everywhere a reason to keep going **Shut The F*ck Up and LOVE** Raxiel Liz,Carlos Liz,2020-07-29 We as individuals want to succeed and achieve our goals on an immense level It s in our DNA to be creative and evolve Unfortunately you know what else can be in our DNA Self doubt procrastination guilt stubbornness asshole ness bitchiness fakeness fear and the list goes on We are not immortal the Unicorns run this sh t We are on borrowed time Learn
