mainstream punk popularity in the 1990s protested the Bush administration in the 2000s and continued their punk provocations up through their retirement in 2024 This book explores how NOFX pursued punk's proclivity for provocation to critique both mainstream society and the punk scene itself how their music challenges notions of punk as simplistic stripped down rock requiring little musical skill and other topics with thirteen essays from scholars in a variety of fields Ten Years in the Tub Nick Hornby, 2016-04-12 How often do you begin reading a book that makes you immediately urgently desperately want to read more books Booklist Nick Hornby has managed to write just such a book in this hilarious insightful and infectious volume Ten Years in the Tub chronicles Hornby's journey through a decade's worth of books as related in his wildly popular Believer column Stuff I've Been Reading Ten Years in the Tub is a one way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime but it's also a meditation on what Celine Dion can teach us about ourselves a warning about how John Updike can ruin our sex lives and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days This decade long addiction for many makes standing in line at the bank a blessed interval for snorting another page the New York Times Book Review *Legend of The ?Mono Gnome?* "Little John" Adams, 2013-07 Beautiful yet strange this night was Often when I could not sleep I would get up go outside into the fresh air and ponder the gazillion stars overhead I think most people's imagination comes alive when one walks in the dark As I meandered slowly through the forest something distracted the corner of my eye I saw what looked to be a very small person just ahead of me I quickly followed this little being but could not keep up Startling me he suddenly jumped smack dab in my path My heart raced considerably for I had never seen any living thing that looked quite like him The little fellow standing in front of me smiled extended his rather large hand and said Hi John I'm Moffee Moffee Vicket An unusual name I thought But the question was how did he know my name At times when I looked at Moffee it seemed as though he was taller or shorter than at other times but always proportionate for the situation He was very pudgy and had a comforting and disarming countenance about him Even though I didn't speak my thoughts out loud Moffee turned toward me and said Gnomes are supposed to be pudgy And he laughed After very little conversation one could tell he was quite serious about the enjoyment of life Moffee bid me to walk with him and so my life changing story began **A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of

the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
