Design Your Own Book: Get Started on Your Journey to Self-Publishing Shawn M. Tomlinson, 2016-01-07 You ve done it You ve finished your novel or memoir or how to or poetry collection etc Sit back Breathe a sigh take a drink light a cigar You ve done it Now what Usually an author is so exhilarated by finishing a book that he or she doesn t really think about what s next Sure there are those dreams of every publisher knocking at your door starting a bidding war for your manuscript and your book becoming a best seller over night And that

can happen It does occasionally but more often the hard work still is to come This book is not for those authors who get an agent who gets them editors who convince their publishers to publish their books This book is for those intrepid souls who decide the only way to maintain control over their books and or to make more money per book than with a traditional publisher is to self publish TurnKey Publishing Matthew S. Chan,2009-02 With today s publishing technology and the Internet it has never been easierto publish one s own books This unconventional revealing book is a completeguide to the process **"Good-bye, Notre Dame"** John H. Morgan,1998 This book is a rather personal history of an academic publishing house I chose to call Three Acorns Press in the narrative I did this to protect nearly 500 authors and the publishing house itself Not that what I had to say was scandalous or problematic but rather I wanted to keep personalities out of this story It is not an autobiographical study of the author per se and it is hopefully not the end of the publishing house which has over one hundred and twenty five titles in print My personal history is somewhat more complicated and the story of this publishing house has not yet ended The following is however my own recollections of how I began this publishing house and how and why it has grown to be a house of reputation the winner of the American Library Association Academic Book of the Year award and cited three times by the Ford Foundation and the National Research Council as a leader in the field I did not set out from school to be a publisher Though I have always been a lover of books I never dreamed of actually publishing them But a publisher is what I am and this is my story of how it all came about **Seven Easy Steps to Self Publishing** Terence Tam,2007 *The Complete Idiot's Guide to Self-Publishing* Jennifer Basye Sander,Mark Hansen,2005-10-04 A practical guide for a booming market Every aspiring self published author needs this guide which covers everything from design to sales It reveals all the tools they ll need including worksheets for estimating costs timing and resources up to date information on production and design formats for many genres strategies for publicity and sales plus success stories from self published authors Publishers Marketing Association estimates there are 73 000 small and self publishers in the U S with 8 000 11 000 new ones each year Of the approximately 2 8 million books in print 78% of the titles come from small self publishers PMA For small and self publishers sales increased 21% annually from 1997 2002 in 2002 these 73 000 publishers grossed 29 4 billion 81% of the population feels they have a book inside them 6 million have written a manuscript and another 6 million have a manuscript making the rounds **Illustrate Your Self-published Book** Marko Mikulich,2008
