**Comparative Characterization in the Sermon on the Mount** Arren Bennet Lawrence, 2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount **The Complete Idiot's Guide to the Perfect Resume, 5th Edition** Susan Ireland, 2010-01-05 Resum revamped for the times technology and the recession The recession has made finding a job harder than ever Everything now takes place online and a resum s preparation is different than even a few years ago This new edition has changed with the times focusing on what s most important in an electronic resum Full of successful resum samples and cover letters the book also focuses on the key words and phrases that will bring readers resum s to the top of the HR pile More than 100 samples of real life resum s and cover letters many of them new Founded in real life experience without the rigid resume writing rules of other guides Ideal for all job seekers from
