

## Periodic Trends Worksheet

*Directions: Use your notes to answer the following questions.*

1. Rank the following elements by increasing atomic radius: carbon, aluminum, oxygen, potassium.

Oxygen < Carbon < Aluminum < Potassium

2. Rank the following elements by increasing electronegativity: sulfur, oxygen, neon, aluminum.

Neon < Aluminum < Sulfur < Oxygen

3. Why does fluorine have a higher ionization energy than iodine?

Fluorine has nine protons attracting 9 electrons which are much closer to the nucleus compared to iodine. This results in smaller size of Fluorine than iodine making it difficult to remove an electron from the atom.

4. Why do elements in the same family generally have similar properties?

Because they have same number of electrons in the outer shell (valence electrons) which take part in chemical reaction.

5. Indicate whether the following properties increase or decrease from left to right across the periodic table.

- |  |                  |
|--|------------------|
| a. atomic radius (excluding noble gases) | <b>Decreases</b> |
| b. first ionization energy               | <b>Increases</b> |
| c. electronegativity                     | <b>Increases</b> |

6. What trend in atomic radius occurs down a group on the periodic table? What causes this trend?

Atomic radius **increases** down the group on the periodic table. As we compare the elements down the group, the effective nuclear charge increases, but at the same time the outermost electrons are found in the shell that is farther away from the nucleus. Also the number of screening electrons increases. This results in reduced attraction between the nucleus and the outermost electrons.

7. What trend in ionization energy occurs across a period on the periodic table? What causes this trend?

Ionization energy **increases** from left to right across the period. The atomic size becomes smaller from left to right. So it becomes harder to remove electron from the atom. Hence the energy required to do so (ionization Energy) increases.

## **Periodic Table Trends Activity Answer Key:**

This is likewise one of the factors by obtaining the soft documents of this **Periodic Table Trends Activity Answer Key** by online. You might not require more become old to spend to go to the books introduction as well as search for them. In some cases, you likewise attain not discover the message Periodic Table Trends Activity Answer Key that you are looking for. It will completely squander the time.

However below, like you visit this web page, it will be fittingly completely easy to acquire as competently as download lead Periodic Table Trends Activity Answer Key

It will not receive many mature as we accustom before. You can reach it even though undertaking something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we allow below as well as review **Periodic Table Trends Activity Answer Key** what you bearing in mind to read!
