Jacques Derrida Claire Colebrook, 2014-10-17 Jacques Derrida *Key Concepts* presents a broad overview and engagement with the full range of Derrida's work from the early phenomenological thinking to his preoccupations with key themes such as technology psychoanalysis friendship Marxism racism and sexism to his ethico political writings and his deconstruction of democracy Presenting both an examination of the key concepts central to his thinking and a broader study of how that thinking shifted over a lifetime the book offers the reader a clear systematic and fresh examination of the astounding breadth of Derrida's philosophy

Stolen Life Fred Moten, 2018-07-26 Taken as a trilogy consent not to be a single being is a monumental accomplishment a brilliant theoretical intervention that might be best described as a powerful case for blackness as a category of analysis Brent Hayes Edwards author of *Epistrophies Jazz and the Literary Imagination* In *Stolen Life* the second

volume in his landmark trilogy consent not to be a single being Fred Moten undertakes an expansive exploration of blackness as it relates to black life and the collective refusal of social death The essays resist categorization moving from Moten s opening meditation on Kant Olaudah Equiano and the conditions of black thought through discussions of academic freedom writing and pedagogy non neurotypicality and uncritical notions of freedom Moten also models black study as a form of social life through an engagement with Fanon Hartman and Spillers and plumbs the distinction between blackness and black people in readings of Du Bois and Nahum Chandler The force and creativity of Moten s criticism resonate throughout reminding us not only of his importance as a thinker but of the continued necessity of interrogating blackness as a form of sociality

Public Radio s Fresh Air Centering Borders in Latin American and South Asian Contexts Debaroti Chakraborty, Debra A. Castillo, Kavita Panjabi, 2022-07-18 This book presents interdisciplinary research on contemporary borders with contributions from scholars and cultural practitioners located in different contexts in the Americas and South Asia There has been significant sociological work on borders however there is a relative dearth of humanities research on contemporary border realities particularly in South Asia This volume introduces frameworks of critical insights and knowledge on border narratives and cultural productions It addresses and goes beyond the impact of the partition in South Asia to train a unique comparative and aesthetic lens on borders and borderlands in relation to Latin America and the U S A through oral narratives photographs objects films theatre journals and songs It maps border perspectives and their reception in a framework of cultural politics It revolves around themes such as violence and modes of survival women s narratives of migration trafficking and incarceration abduction of children vulnerability as experience rationalities of mass killings and proliferation of countercultures to map border perspectives in a framework of cultural politics First of its kind the volume will be useful to scholars and researchers of comparative literary and cultural studies South Asian studies Latin American studies border studies arts and aesthetics visual studies sociology comparative politics international relations and peace and conflict resolution studies **Black Enlightenment** Surya Parekh, 2023-08-28 In Black Enlightenment Surya Parekh reimagines the Enlightenment from the position of the Black subject Parekh examines the works of such Black writers as the free Jamaican Francis Williams 1697 1762 Afro British thinker Ignatius Sancho 1729 1780 and Afro American poet Phillis Wheatley 1753 1784 placing them alongside those of their white European contemporaries David Hume 1711 1776 and Immanuel Kant 1724 1804 By rethinking the Enlightenment and its canons Parekh complicates common understandings of the Enlightenment wherein Black subjects could exist only in negation to white subjects Black Enlightenment points to the anxiety of race in Hume Kant and others while showing the importance of Black Enlightenment thought Parekh prompts us to consider the timeliness of reading Black Enlightenment authors who become free in a society hostile to that freedom **The Culture of the Seven Years' War** Frans de Bruyn, Shaun Regan, 2014-04-30 The Seven Years War 1756 1763 was the decisive conflict of the eighteenth century Winston Churchill called it the first world war and the clash which forever changed the course of North American history Yet compared with other momentous conflicts like the Napoleonic Wars or the First World War the cultural impact of the Seven Years War remains woefully understudied The Culture of the Seven Years War is the first collection of essays to take a broad interdisciplinary and multinational approach to this important global conflict Rather than focusing exclusively on political diplomatic or military issues this collection examines the impact of representation identity and conceptions and experiences of empire With essays by notable scholars that address the war s impact in Europe and the Atlantic world this volume is sure to become essential reading for those interested in the relationship between war culture and the arts Children and Family in Late Antique Egyptian Monasticism Caroline T. Schroeder, 2020-09-17 This is the first

book length study of children in one of the birthplaces of early Christian monasticism Egypt Although comprised of men and women who had renounced sex and family the monasteries of late antiquity raised children educated them and expected them to carry on their monastic lineage and legacies into the future Children within monasteries existed in a liminal space simultaneously vulnerable to the whims and abuses of adults and also cherished as potential future monastic prodigies Caroline T Schroeder examines diverse sources letters rules saints lives art and documentary evidence to probe these paradoxes In doing so she demonstrates how early Egyptian monasteries provided an intergenerational continuity of social cultural and economic capital while also contesting the traditional family s claims to these forms of social continuity

Something Akin to Freedom Stephanie Li, 2010-02-23 2010 CHOICE Outstanding Academic Title Why would someone choose bondage over individual freedom What type of freedom can be found in choosing conditions of enslavement In Something Akin to Freedom winner of the 2008 SUNY Press Dissertation First Book Prize in African American Studies Stephanie Li explores literary texts where African American women decide to remain in or enter into conditions of bondage sacrificing individual autonomy to achieve other goals In fresh readings of stories by Harriet Jacobs Hannah Crafts Gayl Jones Louisa Picquet and Toni Morrison Li argues that amid shifting positions of power and through acts of creative agency the women in these narratives make seemingly anti intuitive choices that are simultaneously limiting and liberating She explores how the appeal of the freedom of the North is constrained by the potential for isolation and destabilization for women rooted in strong social networks in the South By introducing reproduction mother child relationships and community into discourses concerning resistance Li expands our understanding of individual liberation to include the courage to express personal desire and the freedom to love

Blackpentecostal Breath Ashon T. Crawley, 2016-10-03 In this profoundly innovative book Ashon T Crawley engages a wide range of critical paradigms from black studies queer theory and sound studies to theology continental philosophy and performance studies to theorize the ways in which alternative or otherwise modes of existence can serve as disruptions against the marginalization of and violence against minoritarian lifeworlds and possibilities for flourishing Examining the whooping shouting noise making and speaking in tongues of Black Pentecostalism a multi racial multi class multi national Christian sect with one strand of its modern genesis in 1906 Los Angeles **Blackpentecostal Breath** reveals how these aesthetic practices allow for the emergence of alternative modes of social organization As Crawley deftly reveals these choreographic sonic and visual practices and the sensual experiences they create are not only important for imagining what Crawley identifies as otherwise worlds of possibility they also yield a general hermeneutics a methodology for reading culture in an era when such expressions are increasingly under siege
