Hugo Munsterberg, 2010-10-10 Featuring dozens of color photographs and extensive commentary this Japanese ceramics guide is an comprehensive resource for collectors and art enthusiasts For the collector of Japanese ceramics the chief value of the book will lie in the author s very practical advice on what where and how to collect what to pay how to choose a dealer how to distinguish between the genuine and the imitation and similar matters of importance For the non collector who nevertheless admires Japanese ceramics the main interest will undoubtedly lie in the concise and highly readable background

information that Mr Munsterberg presents and in his amiable manner of leading the reader to an appreciation of Japan s ceramic art For both the collector and the non collector the abundance of illustrations many of them in color will provide an aesthetic treat
