The Last Days Of Judas Iscariot:

The Last Days of Judas Iscariot Stephen Adly Guirgis, 2006 THE STORY Set in a time bending darkly comic world between heaven and hell THE LAST DAYS OF JUDAS ISCARIOT reexamines the plight and fate of the New Testament's most infamous Challenging what We Know with the Last Days of Judas Iscariot Elisheva S. Siegel, 2016 and unexplained sinner Abstract The following report is on the point of view conceptualization and evolution in its final execution of the lighting design by Elisheva S Siegel for California State University Long Beach Theatre Department 2015 University Player production of The Last Days of Judas Iscariot by Stephen Adly Guirgis It is submitted in partial fulfillment for completion of the Master of Fine Arts degree in Lighting Design I believe that the core of this story is about challenging what we know is to be true Furthermore to physicalize the break down of these philosophical walls throughout the court proceedings against Judas Iscariot a grid of severe lighting angles was employed This grid evolved from extreme isolation to a blur as these black and white lines of moral principles becomes grey Other visual metaphors include personifying Judas despair a contrasting atmosphere for the Past and propelling into another dimension during Pilate testimony The Role of Judas Iscariot in Stephen Adly Guirgis' The Last Days of Judas Iscariot Scott Matthew Woltz, 2009 Hangin' with Judas Constance Falconer, 2013 Stephen Adly Guirgis has created an era melting play The Last Days of Judas Iscariot which explores the timeless debate between divine mercy and free will A systematic application of Walter R Fisher's narrative analysis through form identification and a functional analysis determined how Guirgis accomplishes persuasion This qualitative study focused on Guirgis's narrative using Walter R Fisher's narrative paradigm as a framework to answer the research question's 1 If Guirgis s ideology and created world in The Last Days of Judas Iscariot are foreign and imagined how is narrative probability and narrative fidelity achieved and 2 How does Guirgis persuade his audience through narrative probability and narrative fidelity Research found that Guirgis achieves narrative probability and narrative fidelity because his dramatic action is complete self contained purposeful varied engages and maintains the interest of the audience and is probable This thesis concluded that persuasion can only be achieved when narrative probability and narrative fidelity are present Design for the Last Days of Judas Iscariot by Stephen Adly Guirgis Martin A. Savolskis, 2012 Abstract For my thesis I will be designing scenery for The Last Days of Judas Iscariot by Stephan Adly Guirgis I am excited to work on this production for multiple reasons First I would like to design in our thrust space the Bowen Theatre for a second time due to the challenges such as its fixed grid limited back stage space three sided audience and intimacy of the space Personally the subject matter of the play hits close to home for me having grown up as a Catholic school student I enjoy seeing these biblical characters and stories portrayed in current raw and more truly human ways than they were typically portrayed in my religious training Finally I found the ability to collaborate with director Jimmy Bohr to be a great learning experience last year when we worked together on the OSU Department of Theatre's production of Spring Awakening I feel that he has a great ability to

connect a design team and I m eager to collaborate with him on another production A Humanistic View of Satan The Last Days of Jesus Bill O'Reilly, 2014-04 A fact filled historical examination of Jesus that Yohance Myles, 2009 considers the political and cultural factors that contributed to his trial conviction and crucifixion The Final Days of Jesus Christ Shawn Armstrong, 2025-09-10 In The Final Days of Jesus Christ embark on a profound exploration of the pivotal moments that shaped Christian theology and continue to resonate through history This meticulously researched work delves into the historical context of Roman occupied Judea revealing the intricate political and religious tensions that surrounded Jesus during His final days From the poignant Last Supper where betrayal looms to the agonizing moments in Gethsemane where humanity meets divinity each chapter unravels the layers of Jesus passion narrative. The gripping accounts of His trials first before Jewish authorities and then Roman rulers illustrate a clash of beliefs and power dynamics that led to His crucifixion Experience the transformation sparked by the resurrection and its implications for Christian faith as well as the enduring legacy that has influenced art literature and moral philosophy throughout centuries This thought provoking volume invites readers to reflect on the significance of these events and their relevance in contemporary belief systems Discover a deeper understanding of Jesus final days order your copy today and journey through history s most consequential moments

Theater as Liturgy in the Post-Christian Age Matthew Yde, 2024-05-24 This is the first book length study of one of the most talented and exciting American playwrights working today Stephen Adly Guirgis has said that God is the starting point and the finish line of his work and this book identifies him as a playwright with a distinctly Christian sensibility who uses the technique of inculturation to translate the gospel for a secular audience Critics have noted that his plays are peopled with poor suffering minority figures but few have also noted that these figures bear a remarkable similarity to the dispossessed with whom Jesus identifies in Matthew 25 Beginning with his early play Den of Thieves and proceeding through each of his dramas this work examines Guirgis s plays within a biblical context While noting that Guirgis is a writer of the post Christian age who staunchly resists identification as a Christian playwright the book situates him within the tradition of the drama of ideas as a powerful writer employing a dialectical method to inculcate the New Testament ethos and transform the theater space into a place of sacrament The End... Prophetic Insights into the Last Days Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen A Jesuit Off-Broadway James Martin, 2011-03 In A Jesuit Off Broadway James Martin SJ writes about in these last days advising the cast and crew of The Last Days of Judas Iscariot See theology and theater mix A Jesuit Off-Broadway James Martin, 2011-03-01 Many of us have questions about the Bible Can we believe the Bible What was Jesus mission What is sin Does hell exist Is anyone beyond God's forgiveness In A Jesuit Off Brodway James Martin SJ answers these questions about the Bible and other big guestions about life as he serves as a theological advisor to the cast of The Last Days of Judas

Iscariot Grab a front row seat to Fr Martin s six months with the LAByrinth Theater Company and see first hand what it s like to share the faith with a largely secular group of people and discover along with Martin that the sacred and the secular aren t always that far apart The Last Days James Roberts, 2023-01-25 The Last Days Time Seals and Trumpets is separated into three unique sections The first section speaks of God s timeline of events from the creation of time until the destruction of the world The creation of time is discussed from both mankind s view of measuring time and God s view concerning time It also explores how modern theories such as Darwin's theory of evolution Einstein's theory of relativity and the big bang theory compare with what the Word of God states The second section is an in depth study of the book of Revelation with emphasis on the opening of the seals and the blowing of the trumpets And the third section is a topical study of end time subjects with scripture references for each topic This book is unique in that it ties Old Testament scriptures to the events surrounding the seals and trumpets mentioned in Revelation The Theatre of Rupert Goold Sarah Grochala, 2020-11-12 Since the late 1990s Rupert Goold has garnered a reputation as one of the UK's most exciting and provocative theatre directors His exhilarating risk taking productions of both classic texts and new plays have travelled from regional stages to the National Theatre the West End Broadway and beyond Through his artistic directorship of Northampton's Royal Macbeth Chichester Festival Theatre The Tempest Romeo and Juliet RSC Six Characters in Search of an Author ENRON Headlong Time and the Conways National Theatre Charles III and Ink Almeida The Theatre of Rupert Goold is an accessible and fascinating guide to Goold's approach to making theatre an approach that asks provocative questions of the modern world in Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being the most theatrical ways imaginable written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God's Prophetic Timeline Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation's seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel's future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God's Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible's prophecies The Last Days Joel C.
