## **The Last Laugh:**

**The Last Laugh** Phil Berger, 2000-11-14 The Last Laugh is the first and only book to take readers deep into the bizarre universe of the standup comic from the classic years of Milton Berle Sid Caesar and Sheeky Greene to today's comedy superstars Phil Berger shows how styles and trends in standup have changed over the past fifty years but how taking the stage in a comedy club is as tough as it's always been Performers profiled in the book include Woody Allen Lenny Bruce George Carlin Elaine Bosler Robert Klein Bill Cosby Billy Crystal Dick Gregory Andy Kaufman Steve Martin Cheech and Chong Eddie Murphy and a host of others Filled with comics hilarious routines and anecdotes this substantially updated edition also chronicles the lives and careers of more recent artists including Richard Lewis and Jay Leno **The Last Laugh** Marjorie Fort, 1936 The Last Laugh Sidney Joseph Perelman, 1982 **The Last Laugh** Will Daddario, 2025-09-04 This book investigates what the author terms The last laugh which reveals itself as a crucial element in the work of grief and acceptance amid social strife and political injustice We hear and see the laugh emerge when engaged in situations that are not funny at first glance at least not according to social conventions of propriety The last laugh is seriously funny insofar as it reveals the extent to which the laughing subject is thoroughly enmeshed in the unfunniness of social antagonisms yet also capable of accepting its position as something to laugh at and through in order to endure the pains of social life The last laugh emerges at the hiatus between action autonomy and passivity non doing Chances are high that you have laughed this laugh This book is designed to help us all understand what it is and how it helps promote insight in the contemporary moment Understanding the last laugh is necessary to enable full open grieving of social injustice treating the comic as a necessary component of open or what the social sciences refer to as adaptive grieving It thus provides a new perspective on grief scholarship as well as a new perspective on comedy studies **The Last Laugh** Murray Pomerance, 2013-05-15 For scholars of film and readers who love cinema these essays will be rich and playful inspiration *The Last Laugh* Lynn Freed, 2017-07-03 Three women in their sixties go off to live in Greece for a year only to have their children grandchildren and past lovers invade what was supposed to be a relaxing getaway **The Last Laugh: Comedians Who Will Not Be Silenced** Jemimah Steinfeld, 2024-01-28 **The LAST Laugh** P.N. *Laughing at Yourself* Frank E. Burdett,2014-03-17 Frank E Burdett is a survivor from seriousness This is no laughing matter and only needs a simple explanation Frank decided to divorce himself from all seriousness in an effort to gain control of his sense of humour Once he attained his sense of humour he realised that the amount of absurdity and nonsense that abounds in society can only be diagnosed in the gentlest of terms as over seriousness of epidemic proportions Frank has researched and evaluated the importance of nurturing your sense of humour in order to balance the well being of people everywhere especially against the high degrees of stress both emotional and work associated challenges that attack everyone today He came to the conclusion that people of all persuasions have completely lost the knack of being able to step aside and have a good and free laugh at themselves Therefore the time has come for you to learn to laugh at yourself and live longer Frank knows the effects of harrowing trauma being attacked mauled and carried away by a man eating tiger and curing himself of spreading melanoma cancer of the neck shoulder both lungs liver and bowel cancer He had been diagnosed by orthodox medicine as stage IV and given six months to live He tuned to find an alternative cure He has now been four years free of cancer Frank devised a technique whereby even you can benefit and learn to laugh at yourself You have nothing to lose except your overpowering seriousness Frank spent three years delving into the properties of laughing at yourself and he soon realised that there is more to laughing than showing a set of

teeth Laughing at yourself allows you the complete freedom to see stress and seriousness in their proper light as a threat to your long lasting happiness This is your opportunity to take a real look at yourself by using Franks technique to step on the path towards learning the Art of Happiness You either want to be free from the pangs of stress and seriousness or you do not Your choice
