EUROPE Expats have an advantage when writing fiction doing unusual things in exotic places is often part of the experience of living and working outside your native country Dutch resident Bernard W Rees takes us to the Philippines in The Manila Galleon and to China along the Silk Road and over the Himalayas into Pakistan in The Last Patriot Born in Llanelli in Wales Rees has seen his fair share of the world He grew up in Kampala Uganda and Nairobi in Kenya At sixteen he went to sea and got his first taste of the Orient He emigrated to Canada in his early 20s where he traded ships and cargo for many years from the Americas to the Persian Gulf China Japan and Korea Following the death of his first wife in 1995 Rees decided he needed to change my life and do something new He sold his shipping business and moved to Manila where in his spare time he searched for Spanish treasure ships This is when he developed another talent he pens a good yarn The main character of The Manila Galleon is Peter de Vries a rogue CIA agent Of course rogue CIA agents are common in thrillers these days and one who has lost his memory isn't that original either But what really matters is that Rees makes something of this character in this page turning thriller with a twist De Vries gets involved in the salvage of a 17th century Spanish treasure ship while at the same time he must avoid the CIA and discover the significance of his dreams about the Galleon and its fatal encounter with Dutch privateers The sole survivor was a Dutch prisoner Captain Jeroen de Vries Rees wrote his second novel while living in the US from 2003 to 2005 The CIA is there again but this time the main setting is China This book is heavier than Galleons as it deals with the major problems facing the world today energy security terrorism and the looming potential of conflict between the US and China The hero if that is the correct term is Owen O'Brien a cynical alcoholic journalist and the heroine is an idealistic young doctor working with orphaned AIDS children in China Written as a memoir to his daughter the

book recounts how OBrien comes into possession of secret documents outlining a plan to attack the US The CIA which will never hire Rees to do its PR is again the bad guy as it joins forces with the Chinese to stop OBrien fleeing with the papers If this was Hollywood the hero would save the day at the last minute But Rees a world wise expat doesn't go for sugar coated endings Not to give too many secrets away Reese wrote a second Hollywood ending for Galleons to maintain the domestic peace with his wife The Last Patriot has a more open ending Reese opened yet another new chapter in his life when he moved to the Netherlands as the trailing spouse at the beginning of 2006 The couples teenage children enrolled in the international school in Arnhem and their youngest is attending Dutch elementary school This expat author is now working on a series of books about an American living in Paris We will eagerly await publication *Full Black* Brad Thor,2012-01-24 Simultaneously a foreign wet work team has been sent to California Their target one of Hollywoods most famous filmmakers
