The Legal Environment of Business Sean P. Melvin, F. E. Guerra-Pujol, 2024 Think of this textbook as a road map that guides you through the twists and turns of the laws that impact business entities owners and managers This road map will help you understand ways in which business owners and managers can add value to their companies by using legal insight and strategy for business planning and for limiting liability We have tailored the text examples cases and teaching features to the needs of business students by providing concise explanations of law theory and then supplying the tools necessary for students to apply their knowledge in the business environment practice The first step in mastering the material is to recognize that you must internalize the concepts presented in your courses This requires more than a casual reading of assignments For many years we have asked students who earned an A in our courses to write a few sentences of advice to future students on how to internalize the material and achieve a top grade in the course
