**Angels, Let's Talk** Orlando Constantine, 2007-10 The anointing received is the deciding factor of the truth on this subject which is unparalleled in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1:18

**Angels in the Sky: How a Band of Volunteer Airmen Saved the New State of Israel** Robert Gandt, 2017-10-03  
Reads like a World War II thriller only better because every word is true. One of the great untold stories of history Robert Gandt has brought it vividly unforgettably to life. Steven Pressfield, best selling author of *Gates of Fire*. In 1948 when the newly founded nation of Israel came under siege from a coalition of Arab states a band of volunteer airmen from the United States, Canada, Britain, France, and South Africa arrived to help. They were a small group, fewer than 150. Many were World War II veterans, most of them knowingly violated their nations embargoes on the shipment of arms and aircraft to Israel. The airmen risked everything, their careers, citizenship, and lives to fight for Israel. The saga of the volunteer airmen in Israel's war of independence stands as one of the most stirring and little known war stories of the past century. **Lifted by Angels** Joel J. Miller, 2023-12-19. Explores the relationship between people and angels through the eyes of the early church. Heaven is closer than we realize. Its boundaries overlap our own and angels move in and out of our porous present. This moment that seems to us so solid and concrete. If that reality seems dim to us now, it beamed for the early Christians. Through their writings, sermons, songs, and art, the ancient faithful confessed a powerful and vivid belief that angels help carry us on our journey to God. Rooted in the Scripture and following this ancient understanding, *Lifted by Angels* reveals the role that angels play in the lives of people and in God's plan of salvation, the different ranks and functions of angels, how Satan and his demons fell from grace and plagued humans, the functions of guardian angels, and how God assigns them to fit our personal needs, how guardian angels help us resist evil temptation and the devil, the way angels join with us in our prayers, even adding their own to ours, the service angels provide in worship. Featuring examples of angels in ancient icons and frescoes and supported by extensive research on the early church and its pastors, poets, theologians, and artists, *Lifted by Angels* answers universal curiosity about angels and the unseen world, leaving readers inspired and hopeful about the nearness of God. [A Handbook Of Angels](#) H. C. Moolenburgh, 2011-06-30. In 1981 a sermon was given in Leiden in which the minister called angels a forgotten group. This book is an attempt to recall a forgotten group into the memory of everyone. We read so much these days about matters concerning the underworld that we are inclined to forget that an enormous upper world stretches out above us. A world which is also extremely active and one which is increasingly beginning to intrude. In *A Handbook of Angels* the author recounts his survey of four hundred people and the spectacular results which include reportings of real life.
