The Life I Left Behind:

The Life I Left Behind Colette McBeth, 2015-02-24 Six years ago Melody Pieterse was attacked and left for dead Only a chance encounter with a dog walker saved her life Melody's neighbor and close friend David Alden was found guilty of the crime and imprisoned and the attack and David's betrayal of her friendship left Melody a different person She no longer trusts her own judgment she no longer trusts her friends In fact she no longer really has any friends She's built a life behind walls and gates and security codes she's cloistered herself away from the world almost entirely And then soon after David is released from prison Eve Elliot is murdered in an attack almost identical to Melody's With the start of a new police investigation Melody is suddenly pulled from her ordered secluded life and back into the messy world around her But as she learns more about Eve's murder Melody starts to wonder if perhaps David hadn't betrayed her after all if perhaps the killer is someone else entirely someone who's still out there preparing to strike again Narrated alternately by Melody and by Eve's lingering ghost *The Life I Left Behind* is a taut thriller and an intimate look at two young women bound together in ways neither of them could ever have predicted Colette McBeth has proven once again that she is a master of suspense *The Life He Left Behind* Kathryn Rosseau, 2025-04-10 What if the man who broke your heart is the only one who can save your life On the day she should have been celebrating she was left shattered He walked away chasing a dream never knowing she was carrying his child Now ten years later their worlds collide in the most unexpected way She's the victim of a brutal kidnapping He's the elite Federal Police officer assigned to bring her home alive A past full of secrets A love that never died A second chance hanging by a thread As danger closes in old wounds reopen He never stopped loving her but can she ever forgive the man who walked away And when the truth comes out will it save them or tear them apart for good *The Life He Left Behind* is an emotional romantic suspense packed with heartbreak redemption and the kind of love that refuses to fade Perfect for fans of second chances strong heroines and protective heroes with unfinished business *The Life You Left Behind* Debbie Howells, 2022-02-23 A breathtaking story of love loss and happiness from the Sunday Times bestselling author Debbie Howells Two strangers One missed flight It only takes a moment to change a life One year ago Casey Cassidy was happy She had great friends a wonderful teaching job and a busy life until with one missed flight everything changes One year later Casey knows what it means to find that once in a lifetime love people dream of But when Ben leaves her heart is shattered Left facing a year of firsts without him piecing her life back together seems impossible But then a friend offers her a home in rural France In the solitude and emptiness Casey needs to come to terms with what's happened and find a way to move forward She has no idea where that will take her one year later A gorgeous and emotional read that will pull on your heart strings Ideal for fans of Jill Mansell Lucy Diamond and Jojo Moyes What readers are saying about *The Life You Left Behind* A powerful emotional and life affirming story of love and hope Rachael Lucas The writing was INCREDIBLE I've never highlighted so many sections of a book before but there were just so many beautifully written passages that I knew I indeed

Bianchi,2025-05-27 In this heartbreaking yet hopeful autobiographical novel an acclaimed Italian author who lost his partner to suicide testifies to the power of storytelling in living with grief When 30 year old Matteo B Bianchi published his debut novel in 1999 the timing couldn t have been worse he had just lost S the man he d lived with for 7 years who one day a few months after they broke up killed himself in their apartment Matteo discovers the body He feels trapped in a labyrinth of contradictory emotions and constant bewilderment which unites all the so called survivors of the suicide of a loved one Yet even in his darkest hours the writer in him starts taking notes At first they are just fragments shards of an existence shattered into a thousand pieces Then they slowly transform and memory after memory become a profound conversation with S caught between the temptation to let go and the desire to get back to life Both radical and vulnerable intimate and universal *The Life of Those Who Remain* is a devastating but luminous novel about surviving the aftermath of trauma Bianchi produces pages of

excruciating beauty recounting his journey to redemption and rebirth and showing how even in the depths of the most unspeakable pain writing his own and also powerful works such as Joan Didion's *The Year of Magical Thinking* and Ocean Vuong's *On Earth We're Briefly Gorgeous* can still save us *The Life Left Behind* E.
