The Light of Truth Ida B. Wells, 2014-11-25 The broadest and most comprehensive collection of writings available by an early civil and women's rights pioneer Seventy one years before Rosa Parks's courageous act of resistance police dragged a young black journalist named Ida B Wells off a train for refusing to give up her seat The experience shaped Wells's career and when hate crimes touched her life personally she mounted what was to become her life's work an anti lynching crusade that captured international attention This volume covers the entire scope of Wells's remarkable career collecting her early writings articles exposing the horrors of lynching essays from her travels abroad and her later journalism The Light of Truth is both an invaluable resource for study and a testament to Wells's long career as a civil rights activist For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**Radical Advocate** Mary E Triece, 2025 Born into slavery in Holly Springs Mississippi in 1862 Ida B Wells emerged in the late nineteenth and early twentieth centuries as a singularly dynamic national voice on behalf of racial social and gender equity A journalist teacher and activist she campaigned endlessly against racial violence and inequity and on behalf of women's rights and suffrage In **Radical Advocate** Mary E Triece pinpoints the persuasive strategies that typified Wells's efforts to shape broader cultural conversations concerning those causes Triece highlights especially Wells's role as a radical embodied advocate who Triece defines as one who occupies a marginalized social position whose daily experiences physical well being and mobility are shaped by social justice issues and who must utilize non traditional rhetorical strategies to push for deeply rooted social change Embodiment suggests bodily visibility and seeing the physical body as marked in ways that carry political and physical implications based on race sex gender and class In the context of the early 1900s racial segregation and hysteria over race mixing impacted bodies in every aspect of one's public and personal life from where one lived and worked to whom and how one loved To demonstrate the ways radical embodied advocacy occurs across various platforms Triece examines Wells's speeches pamphlets and newspaper and magazine articles For Wells white violence was palpable and personal experienced on her body and carried in her mind and heart White men lynched Wells's friends threatened her life and forced her into exile after they destroyed the press for which she wrote and edited From this perspective Wells understood lynching as linked to white economic and political control Furthermore Triece presents Wells's radical embodied advocacy as one of the first forms of intersectional journalism a type of citizen journalism wherein the advocate raises up and centers the voices of those experiencing interlocking forms of oppression Triece underscores the epistemic challenges faced by rhetors such as Black women who speak from marginalized social positions and who advance claims that do not align with culturally

accepted frames for knowing and describing events people and places She also bridges philosophy rhetoric and Black feminism to examine the epistemological and rhetorical demands facing social change advocates who shed light on injustice and who simultaneously face deeply entrenched narratives that distort understandings of race and social injustice Wells argued for deep rooted change and her rhetoric stands out because she framed white violence as systemic and intersectional In the twenty first century Radical Advocate is even more relevant in the context of contemporary white violence and international movements for racial justice A rhetorical analysis of Wells s speaking and journalism shows her to be one of the first to emphasize the systemic nature of racism while highlighting the unique ways Black women experienced racist and sexist oppression

**The Lives of the Constitution** Joseph Tartakovsky,2019-10-08 In a fascinating blend of biography and history Joseph Tartakovsky tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals some renowned like Alexander Hamilton and Woodrow Wilson and some forgotten like James Wilson and Ida B Wells Barnett Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump Sweeping from settings as diverse as Gold Rush California to the halls of Congress and crowded with a vivid Dickensian cast Tartakovsky shows how America s unique constitutional culture grapples with questions like democracy racial and sexual equality free speech economic liberty and the role of government Joining the ranks of other great American storytellers Tartakovsky chronicles how Daniel Webster sought to avert the Civil War how Alexis de Tocqueville misunderstood America how Robert Jackson balanced liberty and order in the battle against Nazism and Communism and how Antonin Scalia died warning Americans about the ever growing reach of the Supreme Court From the 1787 Philadelphia Convention to the clash over gay marriage this is a grand tour through two centuries of constitutional history as never told before and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken

**The Labors of Resurrection** Shatema Threadcraft,Associate Professor of Gender and Sexuality Studies Shatema Threadcraft,2025-10-28 In this book Shatema Threadcraft argues that spectacular death experienced publicly and violently has given rise to global political movements but it has also had an important gendered effect Though Black women face a crisis of premature death their deaths most often occur in private when most large scale Black political mobilization centers around spectacular deaths Profiling the resurrective political work of Ida B Wells and others Threadcraft highlights how the centrality of spectacular death has functioned to marginalize Black

women in the stories of Black peoplehood In so doing she looks at the challenge that contemporary feminist activists face in attempting to make violence against Black women visible **The Portable Anna Julia Cooper** Shirley

Moody-Turner,2022-08-09 A collection of essential writings from the iconic foremother of Black women s intellectual history feminism and activism who helped pave the way for modern social justice movements like Black Lives Matter and Say Her Name Winner of the American Library Association Award for Best Historical Materials A Penguin Classic The Portable Anna Julia Cooper brings together for the first time Anna Julia Cooper s major collection of essays A Voice from the South along with several previously unpublished poems plays journalism and selected correspondences including over thirty previously unpublished letters between Anna Julia Cooper and W E B Du Bois The Portable Anna Julia Cooper will introduce a new generation of readers to an educator public intellectual and community activist whose prescient insights and eloquent prose underlie some of the most important developments in modern American intellectual thought and African American social and political activism Recognized as the iconic foremother of Black women s intellectual history and activism Cooper 1858 1964 penned one of the most forceful and enduring statements of Black feminist thought to come out of the nineteenth century Attention to her work has grown exponentially over the years her words have been memorialized in the US passport and in 2009 she was commemorated with a US postal stamp Cooper s writings on the centrality of Black girls and women to our larger national discourse has proved especially prescient in this moment of Black Lives Matter Say Her Name and the recent protests that have shaken the nation **What's Wrong with Stereotyping?** Erin Beeghly,2025-02-20

What s Wrong with Stereotyping offers a refreshing and accessibly written philosophical take on the ethics of stereotyping Stereotyping is woven into every aspect of human experience conversation psychology algorithmic systems and culture It relates to generalization and induction core aspects of rationality But when and why it is morally wrong to stereotype This book tackles this deep and enduring puzzle To solve it Erin Beeghly delves into the relationship between stereotyping and another phenomenon discrimination Not only does stereotyping cause discriminatory treatment she argues stereotyping can itself be discriminatory This insight that to stereotype is to discriminate enables a novel philosophical methodology which builds towards a theory of wrongful stereotyping by analyzing the lived experiences of marginalized groups and existing theories of wrongful discrimination Core chapters evaluate important ethical wrongs the failure to treat persons as individuals disrespect harm prejudice threats to freedoms and the failure to treat persons as equals One finds that there is no essence of wrongful stereotyping a single property or set of properties that all problematic cases share in common Nor are the wrongs of stereotyping reducible to an elegant number two or three Instead wrongful stereotyping is a messy normative kind characterized by clusters of wrong making properties including all the ones noted here and perhaps more Readers will come away with a radically pluralistic open ended theory of wrongful stereotyping that they can use to identify wrongful stereotyping in their own lives and our contemporary world Filled with thought provoking examples and models for social

change this book emphasizes the messiness of moral reality and the importance of looking to the past in order to understand the ethical perils of stereotyping

*Thinking Through Crisis* James Edward Ford, 2019-11-05 Winner 2020 William Sanders Scarborough Prize Modern Language Association Honorable Mention MSA First Book Prize In *Thinking Through Crisis* James Edward Ford III examines the works of Richard Wright Ida B Wells W E B Du Bois Zora Neale Hurston

and Langston Hughes during the 1930s in order to articulate a materialist theory of trauma Ford highlights the dark proletariat's emergence from the multitude apposite to white supremacist agendas In these works Ford argues proletarian modernist and surrealist aesthetics transform fugitive slaves sharecroppers leased convicts levee workers and activist intellectuals into protagonists of anti racist and anti capitalist movements in the United States Thinking Through Crisis intervenes in debates on the 1930s radical subjectivity and states of emergency It will be of interest to scholars of American literature African American literature proletarian literature black studies trauma theory and political theory *Growing Up with the Country* Kendra Taira Field,2018-01-01 The masterful and poignant story of three African American families who journeyed west after emancipation by an award winning scholar and descendant of the migrants Following the lead of her own ancestors Kendra Field's epic family history chronicles the westward migration of freedom's first generation in the fifty years after emancipation Drawing on decades of archival research and family lore within and beyond the United States Field traces their journey out of the South to Indian Territory where they participated in the development of black and black Indian towns and settlements When statehood oil speculation and Jim Crow segregation imperiled their lives and livelihoods these formerly enslaved men and women again chose emigration Some migrants launched a powerful back to Africa movement while others moved on to Canada and Mexico Their lives and choices deepen and widen the roots of the Great Migration Interweaving black white and Indian histories Field's beautifully wrought narrative explores how ideas about race and color powerfully shaped the pursuit of freedom **Struggle on Their Minds** Alex Zamalin,2017-05-23 American political thought has been shaped by those who fought back against social inequality economic exclusion the denial of political representation and slavery the country's original sin Yet too often the voices of African American resistance have been neglected silenced or forgotten In this timely book Alex Zamalin considers key moments of resistance to demonstrate its current and future necessity focusing on five activists across two centuries who fought to foreground slavery and racial injustice in American political discourse *Struggle on Their Minds* shows how the core values of the American political tradition have been continually challenged and strengthened by antiracist resistance creating a rich legacy of African American political thought that is an invaluable component of contemporary struggles for racial justice Zamalin looks at the language and concepts put forward by the abolitionists David Walker and Frederick Douglass the antilynching activist Ida B Wells the Black Panther Party organizer Huey Newton and the prison abolitionist Angela Davis Each helped revise and transform ideas about power justice community action and the role of emotion in political action Their thought encouraged abolitionists to call for the eradication of slavery black journalists to chastise American institutions for their indifference to lynching and black radicals to police the police and to condemn racial injustice in the American prison system Taken together these movements pushed political theory forward offering new language and concepts to sustain democracy in tense times *Struggle on Their Minds* is a critical text for our contemporary moment showing how the political thought that comes out of resistance can energize the

practice of democratic citizenship and ultimately help address the prevailing problem of racial injustice

**Nineteenth-Century American Activist Rhetorics** Patricia Bizzell, Lisa Zimmerelli, 2020-12-15 Essays cover nineteenth century American activists rhetorics and their echoes in contemporary American activism using a variety of theoretical lenses such as classical rhetorical tropes feminism gender and race In addition to texts such as letters sermons and speeches a variety of rhetorical contexts such as monuments strikes protests and theater are considered **Stepdaughters of History**

Catherine Clinton, 2016-11-02 In Stepdaughters of History noted scholar Catherine Clinton reflects on the roles of women as historical actors within the field of Civil War studies and examines the ways in which historians have redefined female wartime participation Clinton contends that despite the recent attention white and black women's contributions remain shrouded in myth and sidelined in traditional historical narratives Her work tackles some of these well worn assumptions dismantling prevailing attitudes that consign women to the footnotes of Civil War texts Clinton highlights some of the debates led by emerging and established Civil War scholars which seek to demolish demeaning and limiting stereotypes of southern women as simpering belles stoic Mammies Rebel spitfires or sultry spies Such caricatures mask the more concrete and compelling struggles within the Confederacy and in Clinton's telling a far more balanced and vivid understanding of women's roles within the wartime South emerges New historical evidence has given rise to fresh insights including important revisionist literature on women's overt and covert participation in activities designed to challenge the rebellion and on white women's roles in reshaping the war's legacy in postwar narratives Increasingly Civil War scholarship integrates those women who defied gender conventions to assume men's roles including those few who gained notoriety as spies scouts or soldiers during the war As Clinton's work demonstrates the larger questions of women's wartime contributions remain important correctives to our understanding of the war's impact Through a fuller appreciation of the dynamics of sex and race Stepdaughters of History promises a broader conversation in the twenty first century inviting readers to continue to confront the conundrums of the American Civil War **The Myth of the Fall in Nineteenth-Century Literature** Linda

Freedman, 2025-07-15 Why does the myth of the Fall continue to matter in an increasingly secularised world Why do we continue to imagine a point where everything went wrong and why must we imagine that things were once better than they are now Modern political theodicies repeatedly play to the myth of the Fall as empowering human authorship promising to take back control or make America great again The myth of the Fall is so absorbed into western culture that we sometimes don't even notice it's there let alone think about why and how it has persisted through secularisation It is often pernicious playing on feelings of innate supremacy and lost dominion Linda Freedman shows that it is also creative the first act of disobedience and resistance which set new human stories in motion and gave narrative shape to existence Nineteenth century writers were so steeped in Christian traditions that the Fall remained an ineluctable structure of thought and even those who resisted or tried to secularise its doctrinal orthodoxies tended to affirm its logic It was a political social and

cultural force as well as an aesthetic preoccupation a way of reflecting on the limitations and possibilities of art and literature driving innovations in prose poetry and the novel Rethinking narratives of American exceptionalism with transatlantic and anti racist writings Freedman captures some of the most theologically imaginative and aesthetically and politically interesting textures of the Fall in nineteenth century literature The myth of the Fall survives as much more than a judgmental and repressive social mechanism and mattered to people living vastly different lives this is partly due to the adaptability and force of its narrative logic and partly because it gives narrative time the feel of a quest an infinite search for meaning The Fall holds onto the otherworldly and the unworldly It serves as a formal metalanguage a residually and sometimes explicitly religious aesthetic an origin myth of modernity a source for being in time

**American Political Thought** Jonathan Keller,Alex Zamalin,2017-04-21 The twenty first century presents unique political challenges like increasing concern over racially based police brutality and mass incarceration continuing economic and gender inequality the rise of conservative and libertarian politics and the appropriate role of religion in American politics Current scholarship in American political thought research neither adequately responds to the contemporary moment in American politics nor fully captures the depth and scope of this rich tradition This collection of essays offers an innovative expansion of the American political tradition By exposing the major ideas and thinkers of the four major yet still underappreciated alternative traditions of American political thought African American feminist radical and conservative this book challenges the boundaries of American political thinking about such values like freedom justice equality democracy economy rights identity and the role of the state in American life These traditions the various authors show in different ways not only present a much fuller and more accurate characterization of what counts as American political thought They are also especially unique for the conceptual resources they provide for addressing contemporary developments in American politics Offering an original and substantive interpretation of thinkers and movements American Political Thought will help students understand how to put American political thought into conversation with contemporary debates in political theory

**Autoethnographic Explorations of Lived Raciolinguistic Experiences Among Multilingual Scholars** Qianqian Zhang-Wu,Bridget Goodman,2025-03-25 While substantial research has looked backward at the colonial history of language and forward to the potential of decolonizing English for linguistic justice there is a lack of investigation looking inward at the lived raciolinguistic experiences of multilingual scholars This edited collection opens a healing space for storytelling and deepens readers understanding of raciolinguistics in practice through autoethnography The book brings together language education researchers and scholars with each author representing and in contact with multiple cultural linguistic and ethnic backgrounds Together they create a community of practice to bring scholars with diverse backgrounds together for inward reflections on their lived raciolinguistic experiences Through this journey the book empowers both the chapter contributors and readers and allies who may see themselves in the stories to reflect learn and change their practices and provides

some ways gifted in others but unforgettable all the same The authors tell the stories of remarkable leaders including Ida B  
Wells Barnett William Wilberforce Harriet Tubman Florence Nightingale Mohandas Gandhi Malala Yousafzai Martin Luther  
King Jr Nelson Mandela Oscar Romero Pope John Paul II Elie Wiesel Mother Teresa Abraham Lincoln and Dietrich  
Bonhoeffer Short biographies of each leader combine with a tour of their historical context unique faith and lasting legacy to  
paint a vivid picture of moral leadership in action Exploring these lives makes us better leaders and people and inspires us to  
dare to change our world      *A Deeper South* Pete Candler, 2024-05-21 The author's road trips through the American South  
lead to a personal confrontation with history In *A Deeper South* The Beauty Mystery and Sorrow of the Southern Road Pete  
Candler offers a travel narrative drawn from twenty five years of road tripping through the backroads of the American South  
Featuring Candler's own photography the book taps into the public imagination and the process of both remembering and  
forgetting that define our collective memory of place Candler who belongs to one of Georgia's most recognizable families  
confronts the uncomfortable truths of his own ancestors' roles in the South's legacy of white supremacy with a masterful mix  
of authority and a humbling sense that his own journey of unforgetting and recovering has only just begun      **Rough Notes**  
**to Erasure** Dolsy Smith, 2020-04-23 We are living through the wrack of the White Male As the compact between social  
hierarchy inherited privilege and race reinforced by gender and other normative categories shows signs of buckling his rage  
and resentment threaten us all For he is a thing possessed possessed by his own love of possession and born to a sense that  
the world belongs to him and him alone The spoils of oppression lie coiled inside him a glut he can't digest and murder  
beckons behind the respect that he conceives of as his due A hybrid of critical essay and memoir and *Rough Notes to Erasure*  
contributes to a growing body of work that wrestles with the tacit and embodied nature of privilege and prejudice and it  
contributes not only via argument but also through style Taking inspiration from feminist queer poetics and what Fred Moten  
calls the black avant garde these rough notes address the remainder that gets lost in explicit argument which is the flesh  
Where privilege roils through history and empire whets the appetites But also where the world catches on its own  
fractalization by thought feeling and desire and language recovers for a moment or two the power to entangle us with our  
mother tongue
