5 there by expressing that the proclamation of his to his believers of giving them victory over all things because they do believe on him isn't a falsehood statement to them for him to just get followers from them The question then rises why then does this monster of the world also having preeminence over the believers life if the Promises of the Lord to them isn't a falsehood proclamation and how can it be overcome in their life This is what this book is all about to educate the Christians on how and why they should overcome the monster of the world called worry and anxiety in their life as they continue believing in the Lord It is a one book I encourage every believer to get if they desire to enjoy their walk with the Lord
