

LIFE HAS NEVER BEEN SO COMPLICATED, OR SO EASY.

A romantic couple is shown in a close embrace on a rocky shore. The man, wearing a light blue shirt, is leaning over the woman, who has long, dark, curly hair. They are positioned in front of a sunset, with the sun low on the horizon, casting a warm, orange glow. The background features a body of water and distant, silhouetted hills. The overall mood is intimate and serene.

Wake Up! We're Going Home Robin J. Bloom, 2012-12-06 Who am I why am I here and what is the meaning of life These are the timeless questions we've all pondered The answers in *Wake Up We're Going Home* will amaze you and perhaps even change your life as much as they did for Robin *Wake Up We're Going Home* is the sequel to *My Daze of Brain Injury* exposing Robin's illusionary life as she awakens and uncovers the truth and learns to trust in the wisdom of uncertainties No longer able to live with fear she does the unthinkable In these difficult times how you approach the hardships in life does matter and this approach determines the destiny of the moment Deep insight is revealed when tragedy confronts time without end and love changes everything Author Bio Robin J Bloom is the author of *My Daze of Brain Injury* Her college experiences include a BS in Special Education and Elementary Education and a MEd in Counseling Though a survivor of multiple brain injuries Robin transformed into an inspirational writer now residing in Phoenix Arizona Visit her website at www.robinjlbloom.com keywords God Ascension Dimension Spiritual Awakening Spirituality Consciousness Soul Aliens 2012 Mayan Prophecies Near Death Experiences *Wake Up Going Home* [My Favorite Records](#) Daniel Braun, 2019-04-11 There are hundreds of records that I have loved over the course of my life Some of these records have faded into the depths of my subconscious Fortunately most of them have stayed with me year after year remaining fresh in my memory alive in my heart I compiled my first Favorites List in 1983 and it contained about 600 recordings Most of the records on the original list are still there today My current list consists of about 900 recordings And the list is still growing as I continue to be introduced to more music You may be familiar with Rolling Stone's 2004 cover story The 500 Greatest Songs of All Time This is certainly a comprehensive compendium on the subject so why should I bother writing this book Because I'm taking a different approach a personal approach There's a difference between the greatest songs as determined by professional music critics and someone's favorite records I'm not a music critic or a musicologist I'm just a guy who loves good music Nonetheless I believe my opinions have value because of the strong connection I have with each record The primary purpose of this book is to draw us together using our favorite music as the catalyst In the process of getting to know someone a commonly asked question is What kind of music do you like His or her answer usually reveals something about their personality Not only will you learn what my favorite records are you will learn about me why I like these songs and how I came to discover them I'm hoping to create conversations not only between you and I but between all American music lovers Thousands upon thousands of songs have been recorded over the past 60 years I've been an avid listener for most of my life but there are still a lot of hidden treasures out there I'd love to find I'm hoping you by sharing your favorites with me will help me to find them I'm also hoping that I will inspire you to listen to some of my favorites There is a treasure trove of great music out waiting to be enjoyed [Lead Me](#) [Not: M/M Contemporary Christian Romance](#) Ann Gallagher, 2025 Isaac Morris has devoted his life to preaching against the sin of homosexuality But when his sister proposes a documentary to demonstrate once and for all that it's a choice with Isaac
