communication Women could be just what is needed Karen Sund Founder Sund Energy AS Everyone needs role models and role models that look like you are even better For women the oil and gas industry has historically been pretty thin on role models for young women to look up to Rebecca Ponton has provided an outstanding compilation of role models for all women who aspire to success in one of the most important industries of modern times Dave Payne Chevron VP Drilling Completions Learn more at www.BreakingTheGlassCeiling.com From the World Voices Series at Modern History Press www.ModernHistoryPress.com *World War II History for Teens* Benjamin Mack-Jackson,2021-06-01 Explore WWII from the front lines in this teen history book Help history come alive in a way that s easy for teens to connect with and enjoy World War II History for Teens dives deep into the major battles providing a core compelling framework that allows teens to better understand what really happened during the war From the conquest of Europe all the way through the end of the Pacific Theater they ll get an up close look at the course of the Second World War and learn how it created the world they live in today World War II History for Teens includes Key WWII battles Read through detailed accounts of the most important battles the moments that decided their outcomes and how these results shaped the war Critical thinking An exciting narrative engages readers while also providing the information they need to draw their own conclusions about the impact of WWII Closer looks World War II History for Teens helps readers go even deeper with special features on military technology how many of the war s key decisions were made and more Show teens how exciting history can be with World War II History for Teens **D-Day Hero** Mike Morgan,2011-08-26 Stanley Hollis won the Victoria Cross when on the 6th of June 1944 he single handedly stormed a German pillbox before going on to save the lives of two comrades D Day s only Victoria Cross winner Hollis was uniquely recommended for this coveted award twice on 6 June A tough working class rebel Hollis was no model soldier he was forever being busted to corporal for various misdeameanours only to win his stripes back again Few soldiers can have seen as much close combat action as Stanley Hollis He fought with the Green Howards at Dunkirk in the Western Desert in Italy on D Day and through France and Germany to the end of the war Seriously wounded and taken prisoner by the Afrika Korps Hollis was personally congratulated by Rommel then made a daring escape In Italy he was recommended for the Distinguished Conduct Medal and was later mentioned in despatches going on to undertake a dangerous undercover reconnaissance of the Normandy invasion beaches On 6 June 1944 Stanley Hollis was involved in two actions that led to his award During the primary assault Hollis single handedly stormed a German pillbox saving his company from certain injury and death and enabling them to open the main beach exit Later that day he saved the lives of two comrades trapped by heavy gunfire in a collapsing house Fully illustrated with archive photographs and ephemera this unique biography of a little known British Second World War hero shows the real man behind the heroic image Mike Morgan has received the Hollis family s full co operation and draws exclusively on personal diaries letters and other memorabilia Decision Time Greg Bustin,2023-09-20 eBook Description Exceptional leaders are lifelong learners and Greg has

collected organized and presented these leadership lessons to stimulate learning inform decision making and inspire action This is a book that all teams and business leaders should read Elizabeth Bryant Chief Learning Officer Southwest Airlines How do you make your toughest decisions For leaders the risks are almost always higher the number of people affected by the decision is greater and the responsibility to make the decision is ultimately theirs alone Leaders don t always make the right decision Yet exceptional leaders get it right when the stakes are highest Decision Time serves up 52 bite sized lessons examining make or break decisions made in history s biggest moments The event or person may be well known but it s the story behind the story that s fascinating You ll discover decision making models and processes embraced by history s most notable leaders You ll meet people who were considered too old for the challenge too young too foolish or otherwise seemingly unfit for the iconic role they would play in history Yet the decisions they made in their make or break moment of truth changed history s trajectory and can inspire and guide you when it s time for you to decide Desert Fox Samuel W. Mitcham,2019-03-12 Just who was Erwin Rommel War hero or war criminal Hitler flunky or man of integrity Military genius or just lucky Now bestselling military historian Samuel W Mitcham Jr gets to the heart of the mysterious figure respected and even admired by the people of the Allied nations he fought against Mitcham recounts Rommel s improbable and meteoric military career his epic battles in North Africa and his fraught relationship with Hitler and the Nazi Party Desert Fox The Storied Military Career of Erwin Rommel reveals How Rommel s victories in North Africa were sabotaged by Hitler s incompetent interference How Rommel burned orders telling him to commit war crimes Why it wouldn t have helped Patton if he really had read Rommel s book How Rommel was responsible for the Germans defense against the D Day landing Why the plot to overthrow Hitler was fatally compromised when Rommel was gravely injured in an Allied attack The reason Rommel agreed to commit suicide after his part in the plot was discovered by Hitler Mitcham s gripping account of Rommel s life takes you through the amazing adventure of the World War II battles in North Africa Again and again Rommel outfoxed the Allies until the war of attrition and Hitler s blunders doomed the Axis cause Illustrated with dozens of historical photos this illuminating biography paints a fascinating and tragic picture of the man known as the Desert Fox *The Red Rebel of San Giovanni* T. Giles Campbell,2023-01-30 From a battered old trunk in the basement to the crumpled scrapbook in the bookcase to an aging envelope in an unused jewelry box they marched to the pages of this book to join the chorus to remember Telegrams letters taped interviews and voices from decades ago joined in to provide a chilling description of World War II Red was a Red Cross lady her brother lost in the confusion of war Some were courageous soldiers others became prominent heroes The author weaves common lives and historic events into an emotional explanation of what war was like for everyday Americans By Colonel Ronald Losee US Marines Ret Retired Marine Colonel Ron Losee is a graduate of the University of Illinois School of Journalism His 31 year career took him to the Far East from Korea to South Vietnam and many places in between Later as a Marine Reservist when on vacation found him as a newspaper city editor I thoroughly

enjoyed reading this book This is a story about typical American families and their neighborhood friends during WWII It brings a different perspective of not only the war front but stateside life during the war By Colonel Tony Baggiano USAF Ret He served 20 years in the United States Air Force and his last Air Force assignment was the Commander of the San Antonio Data Services He was awarded numerous medals which included Vietnam Service Medal with four bronze stars The best way to teach history is to tell a story and that s what this book does This is not your normal war book as it tells a story about friends and neighbors fighting in WWII and their families at home It tells a different story about the War to End all Wars By Lieutenant Colonel James O Donnell USA Ret Infantry combat commander from Company to Battalion and to Army level and a Distinguished member of the 16th Infantry Regiment This memoir is a collection of WWII narratives about five heroic people whose wartime stories are connected From Richmond Virginia are Harriet Vaden her brother Pfc Herbert Herbie Vaden Jr 1st Lt Jimmie Monteith and 1st Lt Richard Dick Williams and from Emmons Minnesota TSgt Donald Singlestad Herbie and Donald end up in the 5th Army fighting in Italy during the invasion of Salerno and many battles afterwards Donald Singlestad later became the most decorated soldier of the 34th Infantry Division Harriet joins the Red Cross after her younger brother Herbie enlisted and she is assigned to the 454th Bomb Group in San Giovanni and Cerignola Italy When Herbie becomes MIA and severely wounded Harriet travels across war torn Italy to find him Meanwhile Richard Williams a friend of the Vadens was a bombardier with the 454th Bomb Group and becomes a prisoner of war in Romania Included are the stories of Jimmy Monteith a neighbor of the Vadens in Richmond who is assigned to the 16th Infantry of the 7th Army and earns the Medal of Honor during the Normandy invasion Family photographs V mails and other memorabilia help tell the story of these incredible heroes as they face the perils of war The wartime experiences affected each of them in many ways both good and bad As they survived each experience their reasons for serving changed in many ways and when they returned home they had to re build their lives physically and emotionally if they were to achieve happy lives again Their stories mostly in their own words are long overdue Wolves at the Door Judith Pearson,2023-05-01 Virginia Hall left her Baltimore home in 1931 to enter the Foreign Service and went to work for the British Special Operations Executive SOE when Hitler was building toward the peak of his power in Europe She was assigned to France where she helped the Resistance movement escaped prisoners of war and American Allied paratroopers By 1942 she was considered so dangerous to the Gestapo that she had to escape over the Pyrenees mountains on an artificial leg no less When she got to England she was reassigned to France by the OSS disguised as an old peasant woman She helped capture 500 German soldiers and kill more than 150 while she sabotaged Nazi communications and transportation Hitler s forces were hot on her trail however and her daring intelligence activities and indomitable spirit defied the expectations of even the Allies until the very end of the war Her story was ignored for more than fifty years and this book now brings Virginia Hall s story to patriots young and old Land of War William Nester,2023-05-01 War in Europe began with the first human migrants Rival bands fought for thousands of

years before the Greeks and Romans began writing about their military history first as legend for instance the hero Achilles battling the Trojans and then as fact War developed from sticks and stones to bronze iron and steel including armor and edged weapons Then came gunpowder guns and cannons which eventually replaced edged weapons Finally in the nineteenth and twentieth centuries technology exploded railroads steamships telegraphs machine guns automobiles airplanes and tanks enabled European states to muster equip arm transport and command more men than ever before with more firepower than ever before In the past seventy five years atomic weapons changed the military landscape of Europe as have the internet and cyber warfare In this colorful new telling of European warfare and indeed European history through the continent's all too numerous wars and conflicts William Nester describes millennia of armed conflict He covers the greatest hits of military history both ancient and current Thermopylae the Peloponnesian War the wars of the Roman Empire across the continent the Battle of Hastings the Crusades Agincourt Waterloo Napoleon and Wellington the Somme the Spanish Civil War Stalingrad and Normandy Churchill Hitler and Stalin Bosnia and up through Putin's attempts to redraw the map of Europe Nester highlights how warfare has been deeply entwined with European statesmanship and undergirds modern institutions such as NATO and the European Union Europe's sense of itself is bound up in its military history Land of War is an epic odyssey from Europe's mythic origins through its latest violent conflicts

12 Seconds of Silence Jamie Holmes, 2020 The riveting story of the American scientists tinkerers and nerds who solved one of the biggest puzzles of World

War II and developed one of the most powerful weapons of the war 12 Seconds of Silence is the remarkable lost story of how a rag tag group of American scientists overcame one of the toughest problems of World War II Shooting things out of the sky Working in a secretive organization known as Section T a team of physicists engineers and everyday Joes and Janes created one of the world s first smart weapons the proximity fuse The tiny gadget allowed an artillery shell to know when to explode to bring down an aircraft Against overwhelming odds and in a race against time mustering every scrap of resource ingenuity and insight the scientists of Section T would eventually save countless lives rescue the city of London from the onslaught of a Nazi superweapon and help bring about the Axis defeat A holy grail sought after by Allied and Axis powers alike the fuse ranks with the atomic bomb as one of the most revolutionary technologies of the Second World War Until now its tale was largely untold For fans of Erik Larson and Ben Macintyre set amidst the fog of espionage dueling spies and the dawn of an age when science would determine the fate of the world 12 Seconds of Silence is a tribute to the extraordinary wartime mobilization of American science and the ultimate can do story Flying with the Fifteenth Air Force Tom

Faulkner,2018-11-15 In 1944 and 1945 Tom Faulkner was a B 24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U S Army Air Forces Only 19 years old when he completed his 28th and last mission Tom was one of the youngest bomber pilots to serve in the U S Army Air Forces during World War II Between September 1944 and the end of February 1945 he flew against targets in Hungary Germany Italy Austria and Yugoslavia On Tom s last mission against the marshalling yards at Augsburg Germany his plane was severely damaged and he had to fly to Switzerland where he and his crew were interned The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England Faulkner s memoir helps fill an important void by providing a first hand account of a pilot and his crew during the waning months of the war as well as a description of his experiences before his military service David L Snead has edited the memoir and provided annotations and corroboration for the various missions **A Patriot's A to Z of America** Edward

Moser,2011-11-09 America is a nation of firsts from its pioneering innovation in technology and science to its politics social affairs and culture But despite its intriguing and unique history many Americans aren t as well versed as they think they are when it comes to knowledge of the monumental events people and ideas that shaped this revolutionary country Chock full of surprising snippets of history you should know about A Patriot s A to Z of America Things Every Good American Should Know is the eye opening remedy for every aspiring good American featuring heroic events and creative individuals who surmounted great difficulties to achieve great things going to the moon wiring the planet defeating the Nazis setting up the first large democratic republic and largely banishing starvation overseas achievements of which no other nation can boast Organized from A to Z these exceptional tales are America s to tell and for you to discover The Limits of Expertise R. Key Dismukes,Benjamin A. Berman,Loukia Loukopoulos,2017-03-02 Why would highly skilled well trained pilots make errors that lead to accidents when they had safely completed many thousands of previous flights The majority of all aviation accidents

are attributed primarily to human error but this is often misinterpreted as evidence of lack of skill vigilance or conscientiousness of the pilots *The Limits of Expertise* is a fresh look at the causes of pilot error and aviation accidents arguing that accidents can be understood only in the context of how the overall aviation system operates The authors analyzed in great depth the 19 major U S airline accidents from 1991 2000 in which the National Transportation Safety Board NTSB found crew error to be a causal factor Each accident is reviewed in a separate chapter that examines events and crew actions and explores the cognitive processes in play at each step The approach is guided by extensive evidence from cognitive psychology that human skill and error are opposite sides of the same coin The book examines the ways in which competing task demands ambiguity and organizational pressures interact with cognitive processes to make all experts vulnerable to characteristic forms of error The final chapter identifies themes cutting across the accidents discusses the role of chance criticizes simplistic concepts of causality of accidents and suggests ways to reduce vulnerability to these catastrophes The authors complementary experience allowed a unique approach to the study accident investigation with the NTSB cognitive psychology research both in the lab and in the field enormous first hand experience of piloting and application of aviation psychology in both civil and military operations This combination allowed the authors to examine and explain the domain specific aspects of aviation operations and to extend advances in basic research in cognition to complex issues of human performance in the real world Although *The Limits of Expertise* is directed to aviation operations the implications are clear for understanding the decision processes skilled performance and errors of professionals in many domains including medicine
