The CrazyLadies of Pearl Street Trevanian,2006-06-06 Legendary writer Trevanian brings readers his most personal novel yet a funny deeply felt often touching coming of age novel set in 1930s America Six year old Jean Luc LaPointe his little sister and his spirited but vulnerable young mother have been abandoned again by his father a charming con artist With no money and nowhere else to go the LaPointes create a fragile nest in a tenement building at 238 North Pearl Street in Albany New York For the next eight years through the Great Depression and Second World War they live in the heart of the Irish slum surrounded by ward heelers unemployment and grinding poverty Pearl Street is also home to a variety of crazyladies Miss Cox the feared and ridiculed teacher who ignites Jean Luc s imagination Mrs Kane who runs a beauty parlor fortune telling salon in the back of her husband s grocery store Mrs Meehan the desperate harried matriarch of a thuggish family across the street lonely Mrs McGivney who spends every day tending to her catatonic husband a veteran of the Great War and Jean Luc s own unconventional vivacious mother Colorful though it is Jean Luc never stops dreaming of a way out of the slum and his

mother's impossible expectations are both his driving force and his burden. As legendary writer Trevisan lovingly re-creates the neighborhood of his youth in this funny, deeply moving coming-of-age novel, he also paints a vivid portrait of a neighborhood, a city, a nation in turmoil, and the people waiting for a better life to begin. It's a heartfelt and unforgettable look back at one child's life in the 1930s and 40s, a story that will be remembered long after the last page is turned. **The Main** Trevisan, 2005-07-26

The Main is Montreal's teeming underworld where the dark streets echo with cries in a dozen languages with the quick footsteps of thieves and the whispers of prostitutes. It is a world where violence and brutality are a way of life. To the people of the Main, police lieutenant Claude LaPointe is judge and jury, father, confessor, and avenging angel. Montreal's police force has changed over time, but LaPointe has not. His commitment to justice is total, as is his devotion to the Main and its underworld community. But when a cold-blooded murderer invades LaPointe's territory, he is forced to examine his long-held beliefs and secrets and to confront his own loneliness and mortality. With a cast of unforgettable supporting characters and an unusual and remarkable hero, **The Main** is another gripping tale of death and danger, of action and mystery, by the incomparable Trevisan. Look for these other Trevisan classics from Three Rivers Press: **The Eiger Sanction**, **The Loo Sanction**, **Shibumi**, and **The Summer of Katya**. From the Trade Paperback edition. **The American**

Thriller P. Cobley, 2000-11-09

What is the American thriller? Has it developed over time? What was it like in the past? This is a book about thrillers and gaining knowledge of what American thrillers were like in a specific period: the 1970s. Analysing seventies texts about crime, police, detectives, corruption, paranoia, and revenge, **The American Thriller** aims to open debates on genre in the light of audience theory, literary history, and the place of popular fiction at the moment of its production. **The Films of Clint Eastwood** Matt Wanat, Leonard Engel, 2018-05-15

The indefatigable Clint Eastwood, the great old man of American film, is still controversial after all these years. Many of the critical essays in this collection focus on Eastwood's 2014 **American Sniper**, a particularly controversial film, and a devastating personal account of the horrors of war. Additional essays within the collection address his films that deserve more recognition than they have received to date. The chapters vary by topic and identify themes ranging from aging, race, and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work. As a collection, these essays show that none of these themes account for Eastwood's entire vision, which is multifaceted and often contradictory, dramatizing complex issues in powerful, character-driven narratives. **Lives of the Novelists** John Sutherland, 2012-03-27

No previous author has attempted a book such as this: a complete history of novels written in the English language from the genre's seventeenth-century origins to the present day. In the spirit of Dr Johnson's **Lives of the Poets**, acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction, from gothic, penny dreadful, and pornography to fantasy, romance, and high literature. Each author was chosen, Professor Sutherland explains, because his or her books are well worth reading and are likely to remain so for at least another century. Sutherland presents these authors

in chronological order in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work Taken together these novelists provide both a history of the novel and a guide to its rich variety Always entertaining and sometimes shocking Sutherland considers writers as diverse as Daniel Defoe Henry James James Joyce Edgar Allan Poe Virginia Woolf Michael Crichton Jeffrey Archer and Jacqueline Susann Written for all lovers of fiction *Lives of the Novelists* succeeds both as introduction and re introduction as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings Four Complete Novels Trevanian, 1981 *THE MAIN* The Main is Montreal's teeming underworld where the dark streets echo with cries in a dozen languages with the quick footsteps of thieves and the whispers of prostitutes It is a world where violence and brutality are a way of life To the people of the Main police lieutenant Claude LaPointe is judge and jury father confessor and avenging angel Montreal's police force has changed over time but LaPointe has not His commitment to justice is total as is his devotion to the Main and its underworld community But when a cold blooded murderer invades LaPointe's territory he is forced to examine his long held beliefs and secrets and to confront his own loneliness and mortality With a cast of unforgettable supporting characters and an unusual and remarkable hero *The Main* is another gripping tale of death and danger of action and mystery by the incomparable Trevanian **College Mystery Novels** John E.
