The Love Chapter 1 Corinthians 13 The Father S Love 4:

A Journey for My Father's Love and Mother's Secret Kim Hug, 2012-05-30 When hope dies in a person life seems over for them This candid autobiography chronicles the story of a woman who lost hope Her only solution was to attempt suicide but on the night she tried to end her life she found a miracle that would change her life forever This book traces her journey though abandonment sexual abuse secrets and paranoid psychosis a journey that did not ultimately lead her to death but to life She was many times lost in delusions of unreality and spent countless days in mental institutions seeking answers to a way out of the darkness of her life But the answer came when Jesus found her her haunting memories were revealed and she began to walk down a new healing road Here Kim Hug speaks of the power of Jesus and how he gave healing and hope to her life through many faithful people This story was written through the inspiration of the Holy Spirit and is filled with creative pictures of memories and poetry as Kim rewalked her life over again to find the missing pieces to the puzzle of her life *The Christian Witness and Advocate of Bible Holiness*, 1909 *Rediscovering the Holy Spirit* Michael

Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit s work is as essential as the Father s and the Son s yet the Spirit s work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit s mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In *Rediscovering the Holy Spirit* author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God s Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives **Grace Abounds**

Hunter Coates, 2024-11-27 This text is a rigorous but approachable contribution to the literature on Christian universalism Influenced primarily by the Orthodox tradition from ancient and modern figures Coates exquisitely weaves through the Scriptures later tradition and the contemporary philosophical landscape in constructing a holistic universalist argument that shares an ecumenical openness to draw upon the insights of other Christian traditions Coates sheds new light upon contentious topics between universalists and non universalists such as the eschatology in Paul s letters the reception of universalism at early church councils and philosophical debates over free will and God s justice Coates also lends voice to

many under researched topics related to universalism such as the Harrowing of Hades and the development of afterlife traditions in the Old and New Testaments Permeated by a commitment to the gospel message a clear theme underlies Grace Abounds God has revealed himself as absolute love through the coming of Jesus Christ Both theologically savvy readers for or against universalism and novice readers just now arriving at the debate will surely find something to appreciate in this carefully and thoroughly argued text Un-Adoptable? LAMB,2020-06-18 Across the barriers of race class culture and denomination Christians are united through the transforming power of the gospel of grace Yet instead of walls dismantled and alienations healed churches are often characterised by ugly division narrow tribalism and painful fragmentation In a world characterised by growing social division hostile identity politics and polarised cyber tribes all compounded by shrill voices on social media the author unfolds the profound biblical vision of true unity founded on the redemptive purposes of God to create a single new humanity This book provides crucial help for handling differences and overcoming division calling for attitudes and behaviour that portray Christ like character and reflect true Christian community Applying key biblical texts it addresses practical issues of handling conflict managing change using words wisely avoiding tribalism strengthening partnerships and building counter cultural community in the local church Urging us to make every effort to promote godly unity this is a thoughtful yet passionate call to remember that we are essentially one for the sake of God s honour and the credibility of our Christian witness in a fractured world

concordance *Collision Course with God* Robert Foust, 2013-03-07 Whether your teen is a slight problem or a nightmare you can learn from my experiences raising a teenage sociopath There is always hope with Gods help God can give you peace even when your life is in chaos In light of recent events Americans are looking more at the complex reasons that cause shootings A significant number place the blame with parents not paying enough attention to their children and of course mental illness It has been shown from previous shootings that usually these young people feel like outsiders because they dont have a peer groups respect and support and they felt unloved at home Love is one primary inhibitor to bad behavior I show in my book that there are three primary inhibitors that will make a difference with the behavior of most children With our complicated lives all the distractions and demands on each of us we have to make the most of the time we have with our children If the influence of the three primary inhibitors is not being felt by your children then they may not have moral restraints to prevent bad choices **The Acts of the Apostles** Ellen Gould White, 2017-03-22 Yet another book in the series of theological interpretations of the Seventh Day Adventists this book cover the time of the apostles from the Great Commission to the visions of John in Revelation and she tells quite a different story about the apostles compared to the rest of her contemporaries since she heavily relies on mystical experience in order to make her theological conclusions Like her other books this one has been fought against by theologians in all times but helps to make us realize what is God s truth
