mother and her institutionalized father Veblen is an amateur translator and freelance self in other words she's adrift. Meanwhile Paul, the product of good hippies who were bad parents, finds his ambition soaring. His medical research has led to the development of a device to help minimize battlefield brain trauma, an invention that gets him swept up in a high stakes deal with the Department of Defense, a Bizarro World that McKenzie satirizes with granular specificity. As Paul is swept up by the promise of fame and fortune, Veblen heroically keeps the peace between all the damaged parties involved in their upcoming wedding until she finds herself falling for someone or something else. Throughout, Elizabeth McKenzie asks, "Where do our families end and we begin? How do we stay true to our ideals? And what is that squirrel really thinking?" Replete with deadpan photos and sly appendices, *The Portable Veblen* is at once an honest inquiry into what we look for in love and an electrifying reading experience.

*Our Town* Kevin Jack McEnroe, 2016-04-12 *Our Town* is the debut of a striking literary voice, one that captures the disillusion at the fringes of Hollywood as seen through a haze of drugs, alcohol abuse, and fallen aspirations. An unseen narrator guides us through the dark fairy tale of Dorothy White, an aspiring actress who never quite figured how to get out of her own way. Her perfect marriage to an equally golden actor, Dale, quickly turns into one of jealousy and violence. Dorothy ends the marriage yet begins a legacy of self-destruction for the failed couple as well as their two children, Clover and Dylan. But we see the pathos in Dorothy's attempts to get back on track to be a good woman, mother, and grandmother. Throughout the novel, she is left in the wake of decisions that turn disastrous. Her downward spiral from elusive fame into consistent infamy, a series of DUIs, the continuing neglect of her children, a string of failed and unhealthy relationships, is not without its grace, with the warmth of her character shining through her spackled makeup and cloud of acrid perfume. In many ways, Dorothy White is an anti-heroine for the ages: vanilla-voiced, bewigged, loving, and ever radiant, a sympathetic character caught in the riptide of her transformation from small-town southern girl to one-time toast of Hollywood to embarrassing tabloid fodder. *Our Town* is an original and startling debut novel, one whose fresh voice and expert perspective reinvents the Hollywood story for a new generation of readers.

*The Poser* Jacob Rubin, 2016-03-15 All his life, Giovanni Bernini has possessed an uncanny gift: he can imitate anyone he meets. Honed by his mother at a young age, the talent catapults him from small-town obscurity to stardom. As Giovanni describes it, "No one's disguise is perfect. There is in every person, no matter how graceful, a seam, a thread curling out of them. When pulled by the right hands, it will unravel the person entire." As his fame grows, Giovanni encounters a beautiful and enigmatic stage singer, Lucy Starlight, the only person whose thread he cannot find and becomes increasingly trapped inside his many poses. Ultimately, he must assume the one identity he has never been able to master: his own. In the vein of Jonathan Lethem's and Kevin Wilson's playful surrealism, Jacob Rubin's *The Poser* is the debut of a major literary voice, a masterfully written, deeply original comic novel and the moving story of a man who must risk everything for the chance to save his life and know true love. Praise for Jacob Rubin and *The Poser*: If a novel can be measured by its imaginative precision, the shrewdness of its characterization, and the authority of its

prose then The Poser Jacob Rubin's smart and absorbing debut claims its power early and rarely surrenders it I hear echoes of Steven Millhauser and Tom McCarthy But the sensibility with which Rubin shapes his story is highly individual probing witty yet hiding at its center a strangely iron compassion Kevin Brockmeier The New York Times Book Review Zelig with a dash of Being There New York Magazine Approval Matrix highbrow brilliant A masterful debut a meditation on the nature of identity delivered with vaudeville verve The Poser as it follows Giovanni from triumph to perilous triumph seduces you with its fanciful prose its larger than life characters and its fun house mirror take on a land of opportunity where appearance often trumps reality It's also one heck of a way for Rubin to announce his own presence on the literary stage The Washington Post Precise and inventive writing The Poser is an exciting debut and I recommend it for its noirish beats It is also richly darkly funny The novel is set in a fictional country that resembles America in the 1940s and 50s and Rubin has exquisitely created this world it is easy to get lost in it At its heart The Poser offers a deeply sensitive exploration into matters of identity and authenticity Associated Press
