The Man Who Loved Too Much - Book 1 John Rachel, 2014-10-06 This is the first book of a trilogy In a nutshell Poor Billy Green When he was just turning four his father tried to throw him in the trash He was a smart kid but that just seemed to create enemies His mom did everything to protect him But this was Detroit armpit of the wasteland Catholic school didn't help much except the time he got his first kiss from an atheist nun Home life was dismal Was his father capable of anything but drinking beer and farting And what was with that neighbor who made puppets and tried to molest Billy Golly Detroit was sucking the life out of him At such a young age Then adolescence swirled around him Like water in a toilet bowl High school was a B movie Only without a plot So finally he did something about it Billy ran away to college Cornell University That was a good move for sure He studied hard lost his virginity met the love of his life Things were definitely looking up What could possibly go wrong **11 - 11 - 11 (Book 1 of John Rachel's End-of-the-World Trilogy)** John Rachel, 2015-11-26 Meet Noah Tass Follow him as he tries to escape his hayseed hometown in Missouri This is not a movie This is someone's life Noah was turning 23 and desperate leave Pulnick had forever been a blemish on the anemic face of rural Bible belt America Always bland and soporific it was now being invaded by white supremacist meth heads visited by an unprecedented crime wave exploited by spiritualists and local politicians and driven to hysteria by paranoid rumors that the world would end on November 11th Moreover Noah's personal life was becoming more convoluted by the day Everything seemed to conspire against his singular need to get out of this dreary dead end death wish armpit of a town 11 11 11 is what you call a feel good novel You'll feel good about your own life when you get a load of the losers who populate this living graveyard *An Unlikely Truth* John Rachel, 2014-02-17 It was a time of stalemate gridlock divisiveness and polarization The nation plunged into greater crisis and dysfunction as the list of things which weren't getting done grew longer The survival of democracy and America itself were increasingly in doubt This is the inspiring story of a small committed group of activists who either never knew or forgot the meaning of the word impossible **The Man Who Loved Too Much - Book 1** John Rachel, 2014-10-07 Poor Billy Green When he was just turning four his father tried to throw him in the trash He was a smart kid but that just seemed to create enemies His mom did everything to protect him But this was Detroit armpit of the wasteland Catholic school didn't help much except the time he got his first kiss from an atheist nun Home life was dismal Was his father capable of anything but drinking beer and farting And what was with that neighbor who made puppets and tried to molest Billy Golly Detroit was sucking the life out of him At such a young age Then adolescence swirled around him Like water in a toilet bowl High school was a B movie Only without a plot So finally he did something about it Billy ran away to college Cornell University That was a good move for sure He studied hard lost his virginity met the love of his life Things were definitely looking up What could possibly go wrong **12 - 12 - 12 (Book 2 of John Rachel's End-of-the-World Trilogy)** John Rachel, 2015-12-09 12 12 12 is the story of a great nation falling apart and one young man's quest for meaning in the midst of chaos It takes the stuff of reality

and pitches it to a high scream Open your mind but cover your ears Knowledge is bliss but it s loud and painful Yet somehow still funny 12 12 12 manages to tell it like it is by telling it like it isn t Granted this is not what actually happened during 2012 But what unfolds is not more implausible Nor is it less implausible It s dark ironic witty at times surrealistic and just plain weird One reviewer calls it laugh out loud brain food for hungry minds *Petrocelli* John Rachel,2015-10-28 Lenny Petrocelli had always been a slacker a mediocre low life getting by on his good looks and street smarts One day he woke up Entangled by his gangland bosses in the web of child prostitution and human trafficking he was being set up as the fall guy to take the rap if the horrifying but lucrative enterprise went down Seeing the violence and abuse young girls from Asia were subjected to in the gruesome world of sex slavery Lenny did the most difficult but the most important thing in his entire life He became a better person Now he would risk everything even his life to put an end to this savage exploitation Peer into this awful world See it through Lenny s eyes Discover what s possible even in the face of the worst most pernicious evil and cruelty Embrace the promise of redemption and the power of love *Blinders Keepers* John Rachel,2015-12-15 In this dystopian satire of political intrigue and social chaos a young man who escapes his hopelessly hayseed home town in Missouri is accidentally labeled a terrorist and must survive a manhunt by government security agencies in a paranoid and unraveling America The president out of desperation perpetrates an end of the world hoax trying re establish control and get himself re elected *Blinders Keepers* is social political satire in the tradition of Jonathan Swift Kurt Vonnegut and Joseph Heller but revved up and spit shined to take on the historical new levels of absurdity and dysfunction of the 21st Century *Blinders Keepers* is social political satire in the tradition of Jonathan Swift Kurt Vonnegut and Joseph Heller but revved up and spit shined to take on the historical new levels of absurdity and dysfunction of the 21st Century Way Down in the Hole Angela J. Hattery,Earl Smith,2022-10-14 Based on ethnographic observations and interviews with prisoners correctional officers and civilian staff conducted in solitary confinement units *Way Down in the Hole* explores the myriad ways in which daily intimate interactions between those locked up twenty four hours a day and the correctional officers charged with their care custody and control produce and reproduce hegemonic racial ideologies Smith and Hattery explore the outcome of building prisons in rural economically depressed communities staffing them with white people who live in and around these communities filling them with Black and brown bodies from urban areas and then designing the structure of solitary confinement units such that the most private intimate daily bodily functions take place in very public ways Under these conditions it shouldn t be surprising but is rarely considered that such daily interactions produce and reproduce white racial resentment among many correctional officers and fuel the racialized tensions that prisoners often describe as the worst forms of dehumanization *Way Down in the Hole* concludes with recommendations for reducing the use of solitary confinement reforming its use in a limited context and most importantly creating an environment in which prisoners and staff co exist in ways that recognize their individual humanity and reduce rather than reproduce racial antagonisms and racial
