escape a stir of one's inner essence regarding the fundamental issues of life. He opens the lid to life's essentials inviting thorough considerations to the origin of the universe, the potential vested in each human life, and the bubble of the evolution theory and so-called science. This discourse is for those searching for answers and inspiration. It will call the frivolous soul to attention and demand duty from its bearers. It's a wakeup call to the slothful and a harsh reminder to the proud. But it's more than that; this book identifies with all who are poised to accomplish their dreams. It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes. The issues raised demand your thorough attention if you will profit from the wisdom shared. They are instructive to the thinking mind. This book is a treasure field. But it must be mined. So while you read, heed the urge to purposefully pause, reflect, and precipitate the cogitations of your mind. It will do you eternal good.

Applying the Rules of War to Daily Life Bart Mitcham, 2006-08 If you love to read self-help books looking for that gem of wisdom to put everyday problems and challenges in perspective, this is the book for you. Enjoy the stories, learn the rules, and see how simple applications of these dictums can have a positive impact in your life. Sometimes just identifying the rule of survival will give you the ability to cope in a situation that otherwise causes you major stress. Military and former military members will know and remember most of the Rules of War listed in this book. Some will bring a smile, others may bring a tear, but you will enjoy the trip down memory lane. This book was written to give you the rules you already know and then the steps to apply them to everyday business and spiritual situations. If you are a Christian, this book is a must-give gift to your young sons, grandsons, daughters, granddaughters, nieces, and nephews serving in the military today. It will be a blessing and a spiritual guide for them while they are away from home. And when they return, it will help them in whatever career they choose. If you are involved in ministry to military or former military personnel, this book will give you some tools for outreach.

The Seasoned Life Paul Kasonsole-Mukungu, 2016-09-15 This book draws parallels of our human lifespan to that of the weather seasons of spring, summer, autumn, and winter. The author assumes the useful years of our being to be eighty. He divides these years equally into the four seasons, being twenty years each. The spring season is viewed to be promissory, belonging to the parents or the system that nurtures the young into the confident and independent person of the latter years. Come summer, we become adults as we reach the peak of our physical growth and energy. Autumn in the life of plants is the fall of leaves. Likewise, humanly red flags start showing up at this time, signaling the reality of our mortality. From the summer years until somewhere in the winter years, we are wired to be productive. But it is the winter season that calls for us to be collected and to pass on what we have gathered over the mileage of our lives to those in waiting. The author notes that while we all can survive spring, summer, and autumn, we surely go to sleep in winter. We never start the cycle all over again. At best, the winter can be long. In other words, we can live to around anything past eighty. However, he argues that past eighty, we live a preventative life pattern. The message of the book is that all seasons are beautiful, and it is in our interest to take advantage of each season while it lasts.

Anderson, 2019-11-21 God has two purposes for you To believe in Jesus and then to become like Jesus This book focuses on the latter Though we cannot attain such perfection John said that followers of Jesus should live their lives as Jesus did 1 John 2:6 NLT The process of becoming like Jesus is the work of the Holy Spirit but the Spirit does not transform us without our cooperation The premise of this book is that we enable the Spirit to make us like Jesus by cultivating seven habits The seven habits are derived from Luke's description of the first church in Acts 2:42-47 Luke was an honest historian who frankly recorded the sins and strife of the early church yet this passage is thoroughly positive In it he mentions seven habits practiced by that ideal church This book describes those habits including practical suggestions for how to develop each This book is titled *7 Habits for a Rich and Satisfying Life* because our heavenly Father loves us and wants what's best for us We will find fulfillment in life as we fulfill his good design for us Jesus said I came that they may have life and have it abundantly John 10:10 ESV or as it says in the New Living Translation My purpose is to give them a rich and satisfying life **The House That God Built** Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm

we witness throughout our land In his book *The House that God Built* Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the familybut not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities
