The Jerusalem Syndrome My Life As A Reluctant Messiah:

The Jerusalem Syndrome Marc Maron, 2002-03-05 By the author of *Attempting Normal* and host of the podcast WTF with Marc Maron *The Jerusalem Syndrome* is *The Gospel* according to Maron a spiritual memoir of your average hyperintelligent ultraneurotic superhip Jewish standup comedian and seeker *The Jerusalem Syndrome* is a genuine psychological phenomenon that often strikes visitors to the Holy Land _ the delusion that they are suddenly direct vessels for the voice of God Marc Maron seems to have a distinctly American version of the Jerusalem Syndrome which has led him on a lifelong quest for religious significance and revelation in the most unlikely of places Maron riffs on Beat phenomena with its sacred texts established rituals and prescribed pilgrimages He spends some time exploring the dark side of things as his obsessions with cocaine known to Maron as magic powder conspiracy theories and famous self destructive comedians convince him that the gates of hell open beneath Los Angeles As his quest matures he reveals the religious aspects of Corporate America pontificating on the timeless beauty of the Coca Cola logo and even taking a trip to the Philip Morris cigarette factory where the workers puff their own products with a zealot like fervor The culmination of Maron s *Jerusalem Syndrome* comes during his own tour of the Holy Land where with Sony camcorder glued to his eye socket he comes face to face with his own ambiguous relationship to Judaism and reaches the brink of spiritual revelation _ or is it nervous breakdown Marc Maron has considerably adapted and expanded his praised one man show to craft a genuine literary memoir Whether he s a genuine prophet or a neurotic mess he ll make you laugh as you question the meaning of life Marc Maron is blazingly smart rapid fire and very funny A brilliant and relentless screed David Rakoff author of *Fraud* Marc Maron is the first crazy person I ve ever envied In his brainiac memoir meets hilarious travelogue he demonstrates the ability to tell a story with an extraordinary provocative intelligence that is regrettably shared by few _ Janeane Garofolo comedian **American Political Humor** Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today s wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation s political leaders and cultural giants Finally this work examines how today s brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live You Should See Yourself Vincent Brook, 2006 The past few decades have seen a remarkable surge in Jewish

influences on American culture Entertainers and artists such as Jerry Seinfeld Adam Sandler Allegra Goodman and Tony Kushner have heralded new waves of television film literature and theater a major klezmer revival is under way bagels are now as commonplace as pizza and kabbalah has become as cool as crystals Does this broad range of cultural expression accurately reflect what it means to be Jewish in America today Bringing together fourteen new essays by leading scholars You Should See Yourself examines the fluctuating representations of Jewishness in a variety of areas of popular culture and high art including literature the media film theater music dance painting photography and comedy Contributors explore the evolution that has taken place within these cultural forms and how we can best explain these changes Are variations in our understanding of Jewishness the result of general phenomena such as multiculturalism politics and postmodernism or are they the product of more specifically Jewish concerns such as the intermarriage continuity crisis religious renewal and relations between the United States and Israel Accessible to students and general readers alike this volume takes an important step toward advancing the discussion of Jewish cultural influences in this country

OBEIGI,2025 My Search for the Messiah Mark Mirsky,1977 Jerusalem Crucified, Jerusalem Risen Mark S. Kinzer,2018-10-30 The good news euangelion of the crucified and risen Messiah was proclaimed first to Jews in Jerusalem and then to Jews throughout the land of Israel In *Jerusalem Crucified Jerusalem Risen* Mark Kinzer argues that this initial audience and geographical setting of the euangelion is integral to the eschatological content of the message itself While the good news is universal in concern and cosmic in scope it never loses its particular connection to the Jewish people the city of Jerusalem and the land of Israel The crucified Messiah participates in the future exilic suffering of his people and by his resurrection offers a pledge of Jerusalem s coming redemption Basing his argument on a reading of the Acts of the Apostles and the Gospel of Luke Kinzer proposes that the biblical message requires its interpreters to reflect theologically on the events of post biblical history In this context he considers the early emergence of Rabbinic Judaism and the much later phenomenon of Zionism offering a theological perspective on these historical developments that is biblically rooted attentive to both Jewish and Christian tradition and minimalist in the theological constraints it imposes on the just resolution of political conflict in the Middle East *From Salonica to Jerusalem* David Benveniste,1982
