The Kingdom Calendar Divine Dates Of End Time Disaster Deliverance:

The Kingdom Calendar Kevin R. Swift, 2012-08-04 The Scriptures predict end time catastrophes and global upheaval as foretold by God's Hebrew prophets over 2 000 years ago in the books of Daniel and Revelation and confirmed by Jesus Himself in the Gospels The events foretold are at hand and our lives are at stake A few decades ago prophecy students began to challenge the view that the ancient book of Daniel speaks primarily of kings wars and events of history They studied Daniel's visions and time periods with the thought that they might also predict end of the world tragedies in connection with the book of Revelation They anticipated that combining the prophecies of the two books into one it would unleash a bold new understanding of how the world would end and would expose God's mysterious end time calendar of events The mysterious Biblical time periods did align into a chart and they miraculously fell between the Jewish Festivals in what is now referred to as The Kingdom Calendar The appointed times and seasons counting periods that lead to the end of the age will begin at Purim with a disastrous Jerusalem event that will stop daily worship at the Western Wall and Temple Mount and the counting will continue for over three and one half years of global upheaval ending at the Great Tribulation which begins during the High Holy Days at Yom Kippur The countdown to Middle East hostilities is already on the march and the U S led war against Iran is near which signals final events have officially begun World War III and nuclear holocaust are nearer than anyone can imagine The powers of Heaven and principalities of the air are about to intersect with Planet Earth in a very visible way Pandemonium demonic signs and miraculous spectacles will give rise to the long anticipated Man of Sin referred to as Antichrist His inspiring arrival on the world stage will activate peace out of mayhem and his popularity will soar Our eternal destinies will hinge on the decision we each must make to either give homage to the religious leader upon his cryptic arrival warned about in the prophecies or to walk by faith in God's grace against the prevailing wave of deception to follow the warnings of Daniel and insights in the book of Revelation the testimony of Jesus Christ Revelation 1 1 3

Christians be living on earth when the antichrist is revealed What does the Bible say about the rapture In this most comprehensive analysis of the Bible s End Time Prophecies Mr Reid presents a remarkably insightful and straight forward explanation of what is to come in the last days Drawing heavily from both Old and New Testament prophecies the author lays out the events of the last days beginning with the 70th week of Daniel and continuing through the advent of the New Jerusalem addressing in detail the timing of the rapture with respect to the Great Tribulation and the Millennium This book is unique in its handling of the book of Revelation John s vision of the end times is divided into four individual sequences of events While each of the four sequences cover different time spans events within each of the sequences progress in chronological order Therefore upon harmonizing the four sequences the end time calendar unfolds neatly and consistently Therefore be ye also ready for in such an hour as ye think not the Son of man cometh Matthew 24 44 Though no one knows the exact day and time this book will help prepare you for what lies ahead in the last days

God's Calendar for the Universe Kabiru Razaq,2013-03 Introduction Within the timeless expanse of eternity amidst the symphony of creation lies a sacred manuscript the divine revelation known as God s Calendar for the Universe God created this world with the goal of making us to be like Him and living with Him in His kingdom eternally However in this divine story there s a clash between God s plan and the schemes of the adversary This extraordinary book called God s Calendar for the Universe reveals the plan God scripted before creating the world It covers everything from the very beginning of time to the inauguration of the Eternal Kingdom and beyond Every important date and event in history shows that God has carefully planned everything before creating the world Despite God s plans humans have free will and play a special part in this story Our choices help shape the plan of redemption and establish God s kingdom on earth In the near future within less than a decade Christians will be raptured the Antichrist will reign briefly the world and all its inhabitants will be judged and ultimately this world will come to an end Afterward we will dwell with our God in His Eternal Kingdom where the Lord Jesus will reign supreme Divine Scripting of History Before the dawn of creation the Word of God under the guidance of the Holy Spirit meticulously crafted the universe Every detail from the birth of galaxies to the intricacies of human existence was meticulously planned and ordained God s divine agenda meticulously scripted serves as the cornerstone of existence laying the groundwork for all that follows Conflict of Agendas Yet within the divine narrative a counterpoint emerges the agenda of the adversary Satan With cunningly devised plans the devil seeks to challenge God s authority and establish his reign over the world This clash of agendas sets the stage for a cosmic battle between light and darkness virtue and vice Predestination and Free Will Despite the conflict God s sovereignty remains unchallenged The unfolding of the universe aligns with His divine will yet creatures both celestial and terrestrial possess the freedom to choose obedience or rebellion Every decision every action shapes the tapestry of history revealing the hearts of individuals and their allegiance Role of Humanity and New Creatures At the heart of God s plan lie humanity and the new creatures entities endowed with the power of choice Whether embracing God s will or

succumbing to temptation each individual contributes to the grand narrative of redemption Their choices echo through eternity shaping the destiny of creation Conclusion God s Calendar for the Universe transcends mere chronicles it serves as a testament to the boundless wisdom and sovereignty of the Creator Embedded within its pages are the eternal purposes of God intricately woven into the fabric of time As we navigate life s complexities may we find solace and guidance in this divine script knowing that ultimately God s plan will prevail The culmination of this scripted reality heralds the emergence of the Eternal Kingdom where the Lord reigns supreme as the undisputed King of the Universe **The Day That Will Never End** Godnedum Walters Ogbuka,2023-12-20 There is a time for everything but the greatest of all time is the time to be born and the time to die which is the path of all humans on earth We are all born to live what we do with the time given to us to live will determine our place in eternity The days that have an end are given to us to prepare for the day that has no end the end time is meant for us to prepare for the endless time These last days are available to all humans to prepare for the day that will last forever Each day of God s creation is for a specific purpose which was fulfilled except the seventh day God is recreating all things with each day set aside for a specific purpose just like He did in the beginning It is therefore very important for all humans to know the day and understand the time we are in God s divine calendar and agenda for humanity This book will help you understand God s divine calendar days and order of recreating all things and the implications for you today We must know our place in God s order of recreating all things and position ourselves for blissful eternal destination
