Punch ,1889 *The Catholic Periodical and Literature Index* ,1998 **Batman, Superman, and Philosophy** Nicolas Michaud, 2016-07-05 Batman or Superman Which of these heroic figures is morally superior Which is more dramatically effective Which is more democratic Which shows us the better way to fight crime Who is a morally better person Whose actions lead to the better outcomes Superman vs Batman and Philosophy tries to decide for and against these two superheroes by comparing their contrasting approaches to a wide range of issues Twenty six philosophers evaluate

Superman vs Batman in order to decide which of them wins by various different criteria Some of the writers say that Superman wins others say Batman and others give the result as a tie Since both Batman the megalomaniacal industrialist and Superman the darling of the media sometimes operate outside the law which of them makes the better vigilante and how do they compare with Robin Hood the anonymous donor the Ninja and the KKK Which of them comes out better in terms of evolutionary biology Which of the heroes works more effectively to resist oppression Does Superman or Batman function better as a force for embodied intelligence Who does more to really uphold the law Which one is better for the environment Which of these two supernormal guys makes a better model and inspiring myth to define our culture and our society Is Batman or Superman the more admirable person Who conforms more closely to Nietzsche's Übermensch Which one makes the more rational choices Who makes the better god Who is more self-sacrificing in pursuit of other people's welfare Who goes beyond the call of duty Which one does better at defining himself by resolving his internal conflicts Whose explicit code of morality is superior Which superhero gives us more satisfying dramatic conflict And why does a battle between the two make such a compelling drama Which of our two candidates comes closer to Christ Which has the sounder psychological health Whose overall consequences are better for the world Which one more perfectly exemplifies C. S. Lewis's concept of chivalry What's the deeper reason Batman is so successful in videogames whereas Superman isn't What are the advantages and disadvantages of having the two extraordinary heroes work together Is either superhero logically or metaphysically possible How can each of them be diagnosed as psychotic How do they compare in masking their real identity Whose motives are more worthy Which one is more self-aware Superman vs Batman and Philosophy comes out at the same time as the movie Batman v Superman The book cannot discuss what goes on in the movie yet it also can't avoid doing so since by sheer probability many of the controversial issues between the two superheroes will be the same in both The book will therefore naturally fit in with the numerous raging controversies that the movie unleashes

The Biopolitics of Care in Second World War Britain Kimberly Mair, 2022-01-13 During the crisis of the Second World War in Britain official Air Raid Precautions made the management of daily life a moral obligation of civil defence by introducing new prescriptions for the care of homes animals and persons displaced through evacuation This book examines how the Mass Observation movement recorded and shaped the logics of care that became central to those daily routines in homes and neighbourhoods Kimberly Mair looks at how government publicity campaigns communicated new instructions for care formally while the circulation of wartime rumours negotiated these instructions informally These rumours she argues explicitly repudiated the improper socialization of evacuees and also produced a salient but contested image of the host as a good wartime citizen who was impervious to the cultural invasion of the ostensibly animalistic dirty and destructive house guest Mair also considers the explicit contestations over the value of the lives of pets conceived as animals who do not work with animal caregivers whose use of limited provisions or personal sacrifice could then be judged in the context of wartime hardship Together formal and

informal instructions for caregiving reshaped everyday habits in the war years to an idealized template of the good citizen committed to the war and nation with Mass Observation enacting a watchful form of care by surveilling civilian feeling and habit in the process The Telephone Bulletin Southern New England Telephone Company,1929 Boys' Life ,1931-12 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Chivalry in Westeros** Carol Parrish Jamison,2018-02-20 George R R Martin s A Song of Ice and Fire has sparked a renewed interest in things medieval The pseudo historical world of Westeros delights casual fans while offering a rich new perspective for medievalists and scholars This study explores how Martin crafts a chivalric code that intersects with and illuminates well known medieval texts including both romance and heroic epics Through characters such as Brienne of Tarth Sandor Clegane and Jaime Lannister Martin variously challenges upholds and deconstructs chivalry as depicted in the literature of the Middle Ages **The Knight Life** Keith Knight,2014-07-02 Deftly blending political insight and neurotic humor in a uniquely fluid and dynamic style this edition follows Knight s long running 2007 Harvey Award winning weekly comic strip The K Chronicles which appears on salon com
