The Knitting Circle Rapist Annihilation Squad Derrick Jensen, Stephanie McMillan, 2012 In this darkly comic novel the six women of the Knitting Circle meet every week to talk eat cake and make fabulous sweaters The easy going circle undergoes a drastic change when the members realize they are all the survivors of rape worse still that none of their attackers suffered consequences and the group becomes the vengeful Knitting Circle Rapist Annihilation Squad taking punishment into their own hands via their knitting needles As the women take their revenge groups of men issue statements against the vigilante ladies from the Chamber of Commerce to the sinister Men Against Women Against Rape MAWAR plotting to stop and punish the Knitting Circle Featuring strong female characters this satirical piece explores love revenge feminism violence and knitting

Monsters Derrick Jensen, 2017-10-01 Monsters is an illustrated collection of wild weird and whimsical tales with a twist These stories are not about mythical creatures here the creatures speak for themselves There s an orc who hates Tolkien a young demon awash in teenage angst an angel abandoned by Jesus who finds the Fates Jensen creates a world both delicately dreamlike and all too real where the villain is sometimes the victim and evil is not always what we thought If stories teach us how to be human then the stories in Monsters are the ones we need now These are fractured fairy tales for grown ups where the roots of sadism are laid bare and the horrors of human supremacism are firmly faced But as in all of Jensen s work love is both always possible and also a call to action By turns macabre melancholy and magical these stories and their accompanying images will leave you wondering

who the real monsters are and how they can be defeated Crime Fiction from a Professional Eye Lili Pâquet, 2018-09-03
