The Last Patrol Report:

Argentina's Lost Patrol María José Moyano, 1995-01-01 An excellent analysis of Argentine guerrilla movements in the 1960s 70s based on a wide range of printed sources and extensive interviews with members of the groups Rather than describing all the activities of the various groups this study attempts to explain the rationale for their behavior Handbook of Latin American Studies v 58

THE ADAMAREAN'S SEARCH Rocky Lemit, 2013-11-27 The Adamarean s are a superior race They are a strong proud people with strong deep morals who serve and worship YAH GOD OF ALL Their wisdom and knowledge are far beyond our understanding Their love compassion and desire for peace and a home we do understand and know They are the most powerful beings ever with the most advanced weapons and power in the entire universe They feel so alone and helpless and time in their world is so very precious Their world is doomed and will explode soon killing billions who live there These mighty people will never give up Failure is NO OPTION as they search the universe for a new home and move before their world explodes They will have many hardships because other beings want to destroy them just because The Adamarean s are in their part of space Perhaps they might make some friends too They are the only beings left in their galaxy because of many wars with the other worlds in their galaxy until they were all that is left They just want a home and peace They are searching for a world to move to before their world ends Failure is NO OPTION They must succeed at all costs 10 billion people will die if they fail FAILURE IS NO OPTION Commanders Muritsu Arknenthos and Erstic I hope you 3 have come in peace not war All your ships are No match for The Strodel The Undefeated One Commander Sir All 4 ships are powering up their weapons 20 seconds Sir They must not be stopped Failure is NO OPTION What if this was us It could be someday GOD help us

Death at a Distance Michael Sturma, 2013-07-31 Only seven U S submariners earned the Medal of Honor in World War II Sam Dealey the USS Harder s commander was one of them His honor was awarded posthumously after the entire crew was lost off Bataan during a depth charge attack in August 1944 by a Japanese convoy The Harder s fighting spirit is legendary and its record of sinking a total of eighteen enemy ships with a tonnage in excess of 55 000 made Dealey one of the top five submarine skippers in the war During a single patrol his crew sank five enemy destroyers in five short range torpedo attacks an unprecedented feat In addition the Harder played important roles in rescue missions extracting secret operatives deep in enemy territory and saving downed pilots Drawing on previously untapped sources Michael Sturma an Australian teaching at Murdoch University details several daring missions one that involved the heroic Australian commando Bill Jenkins and puts the Harder s action in the context of the overall Pacific campaign In doing so the author adds not only significant information to the Harder s story but also provides a fresh perspective on the submarine war

USS Pampanito Gregory F Michno, 2016-01-12 Most World War II submarine stories are glorifications of war written by submarine captains about their own boats But the USS Pampanito was not a typical submarine The sub and its crew caused plenty of destruction but they found the pinnacle of their honor and fame in a dramatic sea rescue Gregory F Michno relates

the experiences of the crewmen both enlisted men and officers who served on the USS Pampanito The Pampanito story begins with the boat s construction in 1943 continues through its six combat missions and concludes with its decommissioning after the war in 1945 The heart of the book is the September 12 1944 attack on a Japanese convoy carrying English and Australian POWs from the Burma Siam Railway of Bridge on the River Kwai fame to prison camps in Japan The Pampanito helped sink two of the prison ships unwittingly killing hundreds of Allied soldiers but then returned to rescue the survivors The crew picked a record seventy three men from the sea **The USS Flier** Michael Sturma,2008-02-15 The fate of the USS Flier is one of the most astonishing stories of the Second World War On August 13 1944 the submarine struck a mine and sank to the bottom of the Sulu Sea in less than one minute leaving only fourteen of its crew of eighty six hands alive After enduring eighteen hours in the water eight remaining survivors swam to a remote island controlled by the Japanese Deep behind enemy lines and without food or drinking water the crewmen realized that their struggle for survival had just begun On its first war patrol the unlucky Flier made it from Pearl Harbor to Midway where it ran aground on a reef After extensive repairs and a formal military inquiry the Flier set out once again this time completing a distinguished patrol from Pearl Harbor to Fremantle Western Australia Though the Flier s next mission would be its final one that mission is important for several reasons the story of the Flier s sinking illuminates the nature of World War II underwater warfare and naval protocol and demonstrates the high degree of cooperation that existed among submariners coast watchers and guerrillas in the Philippines The eight sailors who survived the disaster became the first Americans of the Pacific war to escape from a sunken submarine and return safely to the United States Their story of persistence and survival has all the elements of a classic World War II tale sudden disaster physical deprivation a ruthless enemy and a dramatic escape from behind enemy lines In *The USS Flier Death and Survival on a World War II Submarine* noted historian Michael Sturma vividly recounts a harrowing story of brave men who lived to return to the service of their country [The Tom Corbett Space Cadet Megapack](#) Carey Rockwell,2012-08-17 This volume collections 10 young adult science fiction novels 7 in the Tom Corbett Space Cadet series plus *Rip Foster Rides the Gray Planet* by Blake Savage *Star Born* by Andre Norton and *The Secret of the Ninth Planet* by Donald A Wollheim And don t forget to search this ebook store for more entries in the Megapack series covering science fiction fantasy mystery adventure ghost stories and much much more **Annual Report** United States. lynx thoughts start rambling around inside his brain They bounce around his head faster than his legs are running What am I going to do Am I going to fight him Are they all dead Am I crazy or is this just a dream Where is Mom We are all going to die No I must save them even if it means WHAM Woff rams straight into the side of the grinning cat with a complete disregard for the safety of his own body Report on the Administration of the Police in the Madras Presidency ,1900

Fremantle's Submarines Michael Sturma,2015-09-15 From unpromising beginnings in March 1942 the Allied submarine base at Fremantle on the west coast of Australia became a vital part of the Allied offensive against Japan Pushed back from the Philippines and the Netherlands East Indies American submariners accompanied by a small group of Dutch forces retreated to Fremantle as a last resort The location was chosen for its good harbor and the fact that it was outside the range of land based Japanese aircraft Unfortunately the base was also far from their patrol areas and supply lines and it was difficult to reinforce should the enemy attack Thanks largely to a welcoming civilian population morale quickly improved The hospitality and sense of belonging fostered by Western Australians became legendary among Allied submariners and remains central to their wartime memories Perhaps as a result of such a positive experience the Allied forces became much more successful in combat Intertwining social and military history Fremantle s Submarines relates how courage cooperation and community made Fremantle arguably the most successful military outpost of World War II from the standpoint of troop morale Report on the Police Administration in the Bengal Presidency Bengal (India).
