Waking up an Empath Kim Wuirch, 2016-12-28 *Waking Up an Empath A Year in the Life of an Empath from Awakening to Spiritual Healer* is the honest often comical year in the life story of Kimberly Wuirch Having been labeled as sensitive throughout her life even by her mother Kimberly finally finds out the reason why her emotions and moods are often heightened She discovers that she is an empath This book is based on one year of Kimberly's life from the shock of finding out she was an empath and learning what that meant to the journey through spiritual awakening and finally to becoming a healer psychic and medium Her story is relatable to many people who are too afraid to let the world know of their abilities or who are only just discovering who they really are Kimberly wrote this book to help other empaths realize that their thoughts feelings and sudden mood swings are all a normal part of being an empath and how difficult it is for those on the outside to fully understand what life is like for an empath In the pages of this book Kimberly is like the good and knowledgeable friend whom empaths can confide in when it comes to their own spiritual awakening and the fears and challenges that brings up There are not only words on the pages of this book There is also love and compassion for a journey Kimberly knows all too well

Healing Within Michael W. Kovarik, 2014-06-10 *Healing Within* came to be from my journey with breast cancer This healing passage evolved over a few years It did not present itself right away but transpired when I was ready for it to begin First I had to become conscious of this path and perfect a balance within With my initial diagnosis I gave full authority to my traditional doctors a traditional drug therapy and fear It would take a second discovery of this illness to fuse me with my heart and soul My journey to heal within drew me to a path reaching the deepest caverns of my being It was a remarkable awakening of my ability to hear the whispers of my inner voice as it guided me to who I truly am to be It is this disease so grounded in dread and fear that had the power to awaken me to my heart my soul and the quest they were guiding me to be part of Its precious gift life a full life When listening to our inner voice we embrace its message treasure its guidance and trust its love This comforting intimate instrument gently guides us in discovering our authentic self ones genuine life path and the potential we possess to truly heal within Michael W Kovarik
