 Leo Tolstoy,2024-05-09 This narrative though conceived in the mid 19th century remained largely unseen for decades  
 offering a poignant exploration of youthful innocence corrupted and the ephemeral nature of societal allure Its delayed  
 publication provides a unique glimpse into Tolstoy s early thematic preoccupations with love vanity and moral awakening  
 Holy Night Christmas Night or Christmas Eve known in Russian as was created in 1853 Although written during Tolstoy s  
 early literary career this short story did not see the light of day until 1928 appearing posthumously in Leo Tolstoy  
 Unpublished Artistic Works under the alternative title How Love Dies The narrative unfolds in Moscow during the Christmas  
 season chronicling the experiences of young Sergey Ivin an eighteen year old newly arrived from his studies exploring his  
 infatuation with Countess Shofing and his subsequent descent into revelry under the influence of cynical older acquaintances  
 The significant delay in this story s publication over seven decades after its creation is a noteworthy historical detail  
 suggesting that it did not align with the author s later more mature philosophical and moral stances or perhaps it was  
 deemed too raw or controversial for contemporary sensibilities Its eventual release in 1928 as part of a collection of  
 previously unissued works allowed scholars and readers a fuller understanding of Tolstoy s early artistic development and his  
 nascent engagement with themes of moral corruption and the deceptive nature of high society Holy Night delves into the  
 intricate interplay of love and self love portraying how these passions can intertwine to overwhelm a young mind This critical  
 reader s edition presents a modern translation of the original manuscript crafted for the modern reader with clean  
 contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated  
 references Supplementary material enriches the text with autobiographical historical and linguistic context including an  
 afterword by the translator on Tolstoy s personal history impact and intellectual legacy an index of the philosophical concepts  
 he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published  
 writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy **Lloyd's**

**One Summer Night** David Sinclair Turner,2019-12-20 One Summer Night is the title for my story about how two people met and fell in love However as it sometimes does life can throw you a curve ball that you don t expect and are not prepared to deal with This story is about how these two people went about dealing with the unexpected things that happened as they attempted to find each other no matter how long it took or where it took them to I guess what I wanted to tell the reader is that no matter what happens in our lives God will always have a hand in helping us as long as we never lose our faith in him The best way I can describe it is by a picture I have of Christ reaching down into the water where I am struggling to survive and not drown as I reach up and look into his smiling eyes Then I take his hand in mine and he pulls me up into his arms The only way to best describe that is with the term divine intervention **Nina Knows the Night** Jon
