Middlebrook,2009-06-25 A thorough history of the RAF Bomber Command attack on the German city during World War II by the author of *The First Day on the Somme* This book describes one twenty four hour period in the Allied Strategic Bomber Offensive in the greatest possible detail Author Martin Middlebrook sets the scene by outlining the course of the bombing war from 1939 to the night of the Nuremberg raid the characters and aims of the British bombing leaders and the composition of the opposing Bomber Command and German night fighter forces The aim of the Nuremberg raid was not unlike many hundreds of other Royal Air Force missions but due to the difficulties and dangers of the enemy defenses and weather plus bad luck it went horribly wrong The result was so notorious that it became a turning point in the campaign The target the symbolic Nazi rally city of Nuremberg was only lightly damaged and 96 out of 779 bombers went missing Middlebrook recreates the events of the fateful night in astonishing detail The result is a meticulous dramatic and often controversial account It is also a moving tribute to the bravery of the RAF bomber crews and their adversaries Praise for *The Nuremberg Raid* Employing hundreds of eyewitness accounts he shows the raid from the point of view of the German defenses and the civilians on the ground Factual and analytical this is a portrait of mechanized warfare at the level of personal experience Simon Mawer *Wall Street Journal* **The Fighting Temeraire** Sam Willis,2012-03-12 The extraordinary story of the mighty Temeraire the ship behind J M W Turner's iconic painting *The H M S Temeraire* one of Britain's most illustrious fighting ships is known to millions through J M W Turner's masterpiece *The Fighting Temeraire* 1839 which portrays the battle scarred veteran of Britain's wars with Napoleonic France In this evocative new volume Sam Willis tells the extraordinary story of the vessel behind the painting This tale of two ships spans the heyday of the age of sail the climaxes of both the Seven Years War 1756-63 and the Napoleonic Wars 1798-1815 Filled with richly evocative detail and narrated with the pace and gusto of a master storyteller *The Fighting Temeraire* is an enthralling and deeply satisfying work of narrative history *Congressional Record* United States. Congress,1941 The Congressional Record is the official record

of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The War of Chupas (English Edition) Pedro de Cieza de Leon, Pedro de Cieza de Le n was on the whole the most important historian and is now the best authority on ancient Peru so far as his work has reached us for he was a great traveller and an eye witness of much that he described For all the events at which he was not present he received evidence from many actors in them He was an intelligent observer humane and conscientious striving after impartiality and though an enthusiastic admirer of the valour and endurance of his countrymen he was horrified at their acts of cruelty which he denounces in no measured terms Unfortunately only one part of his great work was published near the time other parts long lost have been found and published in recent years and some yet remain to be discovered I the first part published in 1553 was the Cronica which is mainly geographical II the second part was the History and Religion of the Incas III the Conquest of Peru IV V VI and VII the Civil Wars viz 1 War of Las Salinas 2 War of Chupas 3 War of Quito and 4 War of Huarina and Sacsahuana III and VII are still lost to us Cieza de Le n also wrote a book entitled Libro de Fundaciones to which he frequently refers the reader for fuller details respecting habits and customs of Indian tribes and other particulars That work is also lost The Council of the Hakluyt Society selected the first part of the Cronica of Cieza de Le n to form a volume of its series in 1864 and the translation and editing were entrusted to me It is a valuable contribution to the geography of the Cauca valley in Colombia and of Peru while the author s account of the coast almost amounts to a book of sailing directions In 1880 II the history of the Incas was brought to light and texts were printed by the late Dr Gonz lez Rosa in 1873 and also by Jim nez de la Espada in 1880 This exceedingly valuable account of Inca civilization was known to Mr Prescott and he frequently quotes from it but he was not aware of Cieza de Le n being the author This part was chosen by the Council to be included in the Hakluyt Society s series in 1883 and I again undertook the work of translation and editing Quite recently three of the volumes on the Civil Wars of Peru by Cieza de Le n have been discovered in manuscript and published at Madrid The War of Quito covering the period from the arrival of the Viceroy Blasco N ez Vela to his death at Anaquito was translated and edited by me forming one of the Hakluyt Society s volumes for 1912 I have also translated and edited the War of Las Salinas giving a detailed account of the dispute between Pizarro and Almagro which ended with the battle of Las Salinas and the execution of Almagro by Hernando Pizarro The present volume by Cieza de Le n is entitled The War of Chupas and contains a detailed narrative of events from the battle of Las Salinas to the final overthrow of the Almagro faction at the battle of Chupas including the murder of Pizarro the arrival of Vaca de Castro as governor the campaign against Almagro the younger the promulgation of the New Laws and the appointment of Blasco N ez Vela as viceroy to enforce them To be continue in this ebook The History of England from the Earliest Period to the Present Time, Compiled
