Grandeur And Narratives In The Great Indian Epics- The Ramayana And The Mahabharata Samiran Kumar Paul,2023-09-29 This book will help the Indian and the foreign students to learn about Indian Classical studies in poetry and narrative art A comparison between these two epics throw light on myths exile and narratives In India a recent trend of growing Hinduism is noticed in while studying Hindu scriptures of mahakvyas and the Puranas This study of epics in English will attract the Indologists of the world Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane,2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world *Politics in Emotion* Himadeep Muppidi,2014-09-25 The work focuses on a subaltern local sovereignty movement called Telangana in India Over the last ten years this movement has engaged in a massive political mobilization including strikes rallies work stoppages occupation of public spaces electoral contests 200 and more political suicides and media battles But interestingly enough notwithstanding a political mobilization that has brought day to day life to a halt on a number of occasions it has remained largely invisible in international media and global politics Fascinated by the social movement s international invisibility as well as the causes and conditions of its eruption around a city region that has become a showcase of new capitalist development Muppidi seeks to unpack this issue showing that this invisibility is not just intrinsically puzzling but also represents the operation of power on a global scale Investigating the conditions of invisibility in this instance can therefore tell us something important about the way global power works to produce visibility and invisibility in the 21st century world This book provides a unique resource for students of Postcolonialism International relations and South East Asian studies *The Language of Humour and Its Transmutation in Indian Political Cartoons* Vinod Balakrishnan,Vishaka Venkat,2023-07-13 This book develops a model to examine the language of humour which is multimodal and accounts for the possibility of transmutation of humour as it is performed through editorial cartoons By transmutation is meant the transition in the language of humour when it crosses its own boundaries to provoke unprecedented reactions resulting in offensiveness disappointment or hurt sentiment The transmutability about the language of humour points to its inherently diabolical nature which manifests in the performance of controversial cartoons The model is built by borrowing theoretical cues from Roman Jakobson Roland Barthes George Lakoff and Mark Johnson The integrated

model then is developed to examine the cartoons which were recommended for deletion by the Thorat Committee following a cartoon controversy in India Through the cartoon analysis the model discerns the significance of context and temporality in determining the impact of humour It also examines how the ethics of humour the blurred lines of political correctness and incorrectness are dictated by the political atmosphere and the power dynamics Towards Corporeal Cosmopolitanism Anjana Raghavan,2017-08-14 An articulation of any kind of global understanding of belonging or ways of cosmopolitan life requires a constant engagement with vulnerability especially in a world that is so deeply wounded by subjugation colonialisms and genocides And yet discussion of the body affect and corporeal politics from the margins are noticeably absent from contemporary liberal and Kantian models of cosmopolitan thought This book explores the ways in which existing narratives of cosmopolitanism are often organised around European and American discourses of human rights and universalism which allow little room for the articulation of an affective embodied and subaltern politics It brings contemporary understandings of cosmopolitan solidarities into dialogue with the body affect and the persistent spectre of colonial difference Race ethnicity sexuality and gender are all extremely important to these articulations of cosmopolitan belongings and we cannot really speak of communities without speaking of embodiment and emotion This text envisions new ways of articulating and conceptualising corporeal cosmopolitanism which are neither restricted to a purely postcolonial paradigm nor subjugated by European colonialism and modernity It challenges the understanding of liberal cosmopolitan solidarities using decolonial and feminist performances of solidarity as radical compassion resistance and love Grant Morrison's 18 Days #1 Grant Morrison,Aditya Bidikar,2015-07-01 From legendary creator Grant Morrison All Star Superman Batman Robin The Invisibles comes the first chapter in his newest creation 18 Days is the story of three generations of super warriors meeting for the final battle of their age a climactic war that concludes the age of the gods and begins the age of man This is not a Lord of the Rings or a Star Wars where the good guys win because they are right The good guys in 18 Days are forced to cheat and lie and break rules to win Although it has fantastic mythic trappings this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth C Grant Morrison **ARJUNA Saga Of A Pandava Warrior-Prince** Anuja Chandramouli,5-03-13 Arjuna is the immortal tale of one of India s greatest heroes These pages retell in riveting detail the story of the Pandava Warrior Prince who has captured the imagination of millions across centuries This is the intense and human story of his loves friendship ambitions weaknesses and follies as well as his untimely death and revival his stint as a eunuch and the innermost reaches of his thoughts Told in a refreshingly modern and humorous style and set against the staggering backdrop of the Mahabharata Arjuna s story appeals equally to the average discerning reader and the scholar It spans the epic journey from before his birth when omens foretold his greatness across the fabled wondrous landscape that was his life **Until the Lions** Karthika Nair,2019-11-12 A dazzling and eloquent reworking of the Mahabharata one of South Asia s best loved epics through nineteen peripheral voices With daring poetic forms Karthika Na r

breathes new life into this ancient epic Karthika Na r refracts the epic Mahabharata through the voices of nameless soldiers outcast warriors and handmaidens as well as abducted princesses tribal queens and a gender shifting god As peripheral figures and silent catalysts take center stage we get a glimpse of lives and stories buried beneath the dramas of god and nation heroics and victory of the lives obscured by myth and history all too often interchangeable Until the Lions is a kaleidoscopic poetic tour de force It reveals the most intimate threads of desire greed and sacrifice in this foundational epic
