The Story Is True, Second Edition, Revised and Expanded Bruce Jackson, 2022-10-01 In *The Story Is True* folklorist filmmaker and professor of English Bruce Jackson explores the ways we use the stories that become a central part of our public and private lives. Describing and explaining how stories are made and used, Jackson examines how stories narrate and bring meaning to our lives. Jackson writes about his family and friends, acquaintances and experiences, focusing on more than a dozen personal stories. From oral histories to public stories such as what happened when Bob Dylan went electric at the 1965 Newport Folk Festival, Jackson gets at how the truth is constantly shifting depending on the perspective, memory and social meaning that is ascribed to various events, both real and imaginary. The book is ideal for students and writers of oral history and storytelling but goes beyond those topics to encompass how we interpret and understand the real life stories that we encounter in our daily experience. This edition includes new sections on how stories are related to historical facts and new chapters on contemporary films, expanding the discussion of visual storytelling and on conspiracy narratives and Trump's Big Lie. Fresh examples tie together new material with the existing stories. Urban Social Geography Paul Knox, Steven Pinch, 2014-09-15 The 6th edition of this highly respected text builds upon the successful structure, engaging writing style and clear presentation of previous editions. Examining urban social geography from a theoretical and historical perspective, it also explores how it has developed into the modern day. Taking account of recent critical work whilst simultaneously presenting well established approaches to the subject, it ensures students are well informed about all the issues. The result is a topical book that is clear and accessible for students. John Ford's Westerns William Darby, 2015-08-01 John Ford's early Westerns reflect an optimistic view of society and individual capacity; as his thematic vision evolved, he became more resigned to the limitations of humanity. His thematic evolution was evident in other films but was best shown in his Westerns with their stark depictions of the human condition. Ford's sound Westerns and his major silent films are compared in this work, revealing how his creative genius changed over time. A complete filmography of Ford's Westerns is also provided. Behind the Badge Nick Kaldas, 2025-03-01 The true story of one of Australia's top cops for readers of *I CATCH KILLERS* and *THE GOOD COP*. Nick Kaldas is a cop's cop. From investigating war criminals to taking down global drug operations, Kaldas has seen the worst humanity can offer. But he's also seen which human qualities can lead to greatness. This is the compelling true story of an immigrant boy from Egypt who rose from beat cop to become one of the most senior police officers in Australia. During his time in the NSW police force, he was one of Australia's first Arab undercover cops, headed up both the Homicide and Gang Squad units, reformed the Counter Terrorism team and then became the Deputy Police Commissioner. He has also faced down some of the toughest, most brutal criminal organisations in the world. In the Middle East, he was hand-picked by the United Nations to investigate the assassination of former Lebanese prime minister Rafik Hariri, investigate the illegal use of chemical weapons in Syria and was the Director of Internal Oversight Services at UNRWA, the UN agency tasked with assisting Palestine refugees. Having negotiated hostage situations, gained the trust of the Syrian secret police and chaired the Royal
