## Essay Example on Life Journey

Life is a uninterrupted journey. Some journeys are short and some long. Some journeys are sweet and pleasant while some are rancid. Some journeys are excessively memorable to be erased by the littorals of clip. I had one such experience. The memory of this journey continues to waver, on and on, in my head even after several old ages. We reached on 9th Dec. . as our train reserve was for the undermentioned twenty-four hours by North- East Express. We reached the station early in the forenoon, the following twenty-four hours and boarded the train. The train started away at 6. 00 a. m. I sat by the window and enjoyed the passing scenery. The sights of legion rivers, Bridgess, countryside, evergreen paddy Fieldss, alcoholic green tea gardens, huge fields, etc, enchanted me a batch. In the late afternoon we reached Rajshahi station, which is the gateway to khulna. Some of us got out of the train to hold a expression at the station. The bunco and hustle of people traveling approximately, the coming and traveling of trains and the luring sights of the assorted stables of the station attracted our attending and we excessively moved about the platform basking these sights. We didnâ€™t gain how rapidly the clip had passed.

## Essay Example on Life Journey

Suddenly we saw our train traveling. We were at the far terminal of the platform and ran with all velocity and might to catch the train. I was the last to detect the motion of the train and so the last to run. I excessively ran after my friends to catch the train. But the train was traveling fast. Within minutes my friends managed to acquire in. As I was approximately to make the train, I slipped and fell on the platform. I saw my train rushing off before my sight. I shivered with fright. My friends were shouting at the top of their voice inquiring me to run quicker. Just so a cooly lifted me and ran with me to the door, where my friends pulled me in. I merely looked back and waved my custodies at the good Samaritan, who had helped me- I got merely a glance of his face. But that face continues to stay afresh in my head.

The incident profoundly scared me and I dared non to travel an inch from my place thenceforth. It took some clip for me to retrieve from the daze. The fantastic sights of New Delhi and Agra failed to convey back my lost enthusiasm and involvement. I donâ€™t even retrieve what I saw and how the remainder of the jaunt ended. The incident at the N. J. P Railway Station was excessively great to be forgotten by a few passing cloud nine. I can neâ€™er bury this memorable journey. The reminiscences of this journey frequently spark in my head every now and so. Whenever this happens, I say a short supplication for the sort and unknown Samaritan, who helped me on that fatal twenty-four hours to acquire into the train. It was, by far, the most unforgettable journey of my life- a journey that has left its deep cicatrixs on the canvas

interdisciplinary study of life writing This collection brings together new work by established authorities in autobiography such as Timothy Dow Adams G Thomas Couser Cynthia Huff and others along with essays by emerging scholars in the field Subjects range from new interpretations of well known autobiographies by Edith Wharton Gertrude Stein and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essay will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women s Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies

Edward Abbey James M. Cahalan, 2022-08-09 The best biography ever about Ed Cahalan s meticulous research and thoughtful interviews have made this book the authoritative source for Abbey scholars and fans alike Doug Peacock author environmentalist activist and explorer and the inspiration for Hayduke in The Monkey Wrench Gang He was a hero to environmentalists and the patron saint of monkeywrenchers a man in love with desert solitude A supposed misogynist ornery and contentious he nevertheless counted women among his closest friends and admirers He attracted a cult following but he was often uncomfortable with it He was a writer who wandered far from Home without really starting out there James Cahalan has written a definitive biography of a contemporary literary icon whose life was a web of contradictions Edward Abbey A Life sets the record straight on Cactus Ed giving readers a fuller more human Abbey than most have ever known It separates fact from fiction showing that much of the myth surrounding Abbey such as his birth in Home Pennsylvania and later residence in Oracle Arizona was self created and self perpetuated It also shows that Abbey cultivated a persona both in his books and as a public speaker that contradicted his true nature publicly racy and sardonic he was privately reserved and somber Cahalan studied all of Abbey s works and private papers and interviewed many people who knew him including the models for characters in The Brave Cowboy and The Monkey Wrench Gang to create the most complete picture to date of the writer s life He examines Abbey s childhood roots in the East and his love affair with the West his personal relationships and tempestuous marriages and his myriad jobs in continually shifting locations including sixteen national parks and forests He also explores Abbey s writing process his broad intellectual interests and the philosophical roots of his politics For Abbey fans who assume that his honest novel The Fool s Progress was factual or that his public statements were entirely off the cuff Cahalan s evenhanded treatment will be an eye opener More than a biography Edward Abbey A Life is a corrective that shows that he was neither simply a countercultural cowboy hero nor an unprincipled troublemaker but instead a complex and multifaceted person whose legacy has only begun to be appreciated The book contains 30 photographs capturing scenes ranging from Abbey s childhood to his burial site
