The Jungle Book, published in 1894, is a collection of tales that have delighted readers young and old for generations. First published as short stories in magazines in 1893 and 1894 and written during the years that Kipling lived in Vermont, the stories are most commonly seen as fables using personified animal characters to teach moral lessons. The tales have also been interpreted as allegories commenting on the society, culture, and politics of the times, and this interpretation is not difficult to find in Kipling's stories and verses. The best known Jungle Book characters are Mowgli, the man cub raised by wolves and his friends and enemies; Baloo, the bear; Bagheera, the panther; Kaa, an Indian python; and Shere Khan, a tiger with a taste for man cub and a long memory with which to hold a grudge. But also in these pages, the reader will find fierce little Rikki Tikki Tavi, the cobra hunting mongoose; Toomai, the little boy who has seen deep in the jungle what no man has ever seen; and a host of supporting characters, both human and animal.

Joseph Rudyard Kipling (1865-1936) was a prolific writer of short stories, poems, novels, travelogues, and other commentary who is best known for his tales and poems about British soldiers in India and his children's stories. The first English language recipient of the Nobel Prize for literature in 1907, Kipling declined knighthood and appointment as Poet Laureate of Britain. Kipling's parents met and courted at Rudyard Lake in Staffordshire before moving to India, and when their son was born in Bombay, they recalled the lake in giving him the middle name by which he would be known as a writer. In keeping with the custom of the times, Kipling's parents sent him to a boarding house in England when he was five; it was a horrifying experience for the boy, and at the age of 16, he returned to India to a job as a writer at a British-run newspaper in Lahore, now in Pakistan, a job arranged by his schoolteacher father. Kipling would always think of himself as Anglo-Indian, even though he lived most of his life elsewhere, including a very productive four years spent in Vermont. Kipling published his first collection of poetry, *Departmental Ditties*, in 1886. Between November 1886 and June 1887, he published an incredible thirty-nine short stories, and in 1888, volumes containing a total of forty-one stories were published in book form. He continued to write throughout his life at a frenetic pace that did not slow until after World War I, and his work remains popular today. Regarded as a major innovator in the development of the short story, many of his works have become enduring classics and have never been out of print. Kipling's *Captains Courageous* (ISBN 13 978 1494945749 / ISBN 10 1494945746) is also available in a premium quality unabridged large print edition from Summit Classic Press.

The Jungle book is a collection of topic related stories written by English writer and Nobel prize winner Rudyard Kipling Stories were published in magazines within 1893 and 1894 each one followed with original illustrations some of which were made by author s father Although the stories were written while living in Vermont the author found inspiration in his childhood spent in India where he returned for a couple of years after finishing college Allegedly the stories were dedicated to his daughter who passed away at the age of six not long after the first edition of the book was published The book consists of 14 chapters or stories about a boy named Mowgli who got lost in a jungle when he was just a little boy When mother wolf found him and accepted as one of her own calves Mowgli was brought up and raised among animals who were taking good care of him and taught him the laws of the jungle He was living happily and carefree only the tiger Shere Khan was spreading the fear among the jungle animals scaring Mowgli as well *The Jungle Book* Rudyard Kipling,2020-11-22

These tales of the man cub Mowgli and fables of the clever creatures of the wild like the mongoose Rikki Tikki Tavi still brim with the adventure camaraderie and beloved characters that have endeared them to readers for more than 125 years Rudyard Kipling s elegantly written short tales alternate with his memorable verse as he brings the wild world of the Indian jungle to vivid life The interaction of the quirky animal characters is amusing and enlightening as Kaa the python Bagheera the panther and the others evince all too human virtues and vices Mowgli s adventures provide thrills and amusement but he is always learning gaining knowledge of the world and the laws that govern it The emotional theme of the loss of family and the importance of the support of loved ones surfaces repeatedly and provides some of the book s most memorable and affirming moments Readers will root for Mowgli as he confronts the villainous tiger Shere Khan cheer Kaa the python and Baloo the bear as they mount a daring rescue of their man cub friend but these tales have a greater resonance than might be initially apparent These are stories that stay with the reader which might help explain how this book which first appeared in 1894 has been adapted so often and so recently to film television music comics manga cartoons and more With an eye catching new cover and professionally typeset manuscript this edition of *The Jungle Book* is both modern and readable The Jungle Book (1894) (Collection of Stories) by Rudyard Kipling,2017-01-19
