**Key of Cortes** L. Sparklingwater, 2018-11-02 Key of Cortes By L. Sparklingwater With this her second novel Key of Cortes L. Sparklingwater has once again created a riveting and totally engrossing narrative This time the locale is Mexico on the eve of the date according to the Mayan Calendar when the world would come to an end The world does not come to an end of course but the drama leading up to this moment is quickly

replaced by a more compelling one when Laura the story's protagonist finds herself in the possession of an ancient key that will unlock a vast treasure over five hundred years old. The problem for Laura is staying alive long enough to locate the treasure. A lot of other people want that key and some of them will stop at nothing to get it. But the novel is more than just a thrilling chase. The narrative totally envelops the reader in the colorful local culture and customs and the rich spiritual inheritance of Mesoamerica.

Tom Hyman author of *Seven Days to Petrograd* The world was supposed to end on December 21 2012. The Mayan Calendar an ancient system for tracking the paths of the stars inexplicably ran out on that precise date. The world might not have ended but not all was well in Mexico on December 22nd. Long before her adventures in *You May Have the Universe* Laura Alexander was on the scene and as she would soon discover trouble had a way of finding her. A twist of fate puts Laura at the center of a hotly contested treasure hunt and the target of government agents organized crime and agents from the Vatican. Danger and betrayal become commonplace for the plucky attractive cub reporter. Could the key she is protecting really be the fabled Key of Cortes the secret to unlocking a mystery door to a hidden trove of unimaginable wealth?

**Doing my bit for Ireland** Margaret Skinnider, 2016-09-27 When the revolt of a people that feels itself oppressed is successful it is written down in history as a revolution as in this country in 1776. When it fails it is called an insurrection as in Ireland in 1916. Those who conquer usually write the history of the conquest. For that reason the story of the Dublin Insurrection may become legendary in Ireland where it passes from mouth to mouth and may remain quite unknown throughout the rest of the world unless those of us who were in it and yet escaped execution imprisonment or deportation write truthfully of our personal part in the rising of Easter week. It was in my own right name that I applied for a passport to come to this country. When it was granted me after a long delay I wondered if after all the English authorities had known nothing of my activity in the rising. But that can hardly be for it was a Government detective who came to arrest me at the hospital in Dublin where I was recovering from wounds received during the fighting. I was not allowed to stay in prison the surgeon in charge of the hospital insisted to the authorities at Dublin Castle that I was in no condition to be locked up in a cell. But later they might have arrested me for I was in Dublin twice once in August and again in November. On both occasions detectives were following me. I have heard that three days after I openly left my home in Glasgow to come to this country inquiries were made for me of my family and friends. That there is some risk in publishing my story I am well aware but that is the sort of risk which we who love Ireland must run if we are to bring to the knowledge of the world the truth of that heroic attempt last spring to free Ireland and win for her a place as a small but independent nation entitled to the respect of all who love liberty. It is to win that respect even though we failed to gain our freedom that I tell what I know of the rising.
